MASTER PLAN

Preparation of Master Plan. – 9. A Master Plan hereinafter referred to as “*Plan*” in this Act for the development of any area within the State which the State Government may consider necessary, shall be drawn up by the Director in consultation with the local authority/authorities concerned and submitted to the State Government for examination and approval.

Publication of the Master Plan.- 10. (1) On receiving the Plan and the Regulation from the Director, the State Government shall have them, as soon as may be, published in the Official Gazette, in some local newspaper and in the locality in the manner prescribed and deemed to be required for wide and sufficient publicity in the locality inviting public opinion and objection, if any, to be submitted within a period not more than two months.

(2) After considering all objections, suggestions and representation that may have been received, and after getting the advice of the Council, the State Government shall have the plan finally prepared by the Director.

Contents of Master Plan and Zoning Regulations. – 11. The Master Plan to be prepared as defined under section 9, may include: -

- (a) A general land use plan for residential, commercial, industrial, recreational and public and semi-public purposes;
- (b) Zoning plan;
- (c) Transportation plan including roads, railways, canals, and the like;
- (d) Public utilities plan;

- (e) A report giving relevant date and information in respect of the proposals in the Plan and any other thing which the State Government may deem necessary.

Constitution of the authority for implementation of the Plan.- 12. After the adaptation of the Plan and the Regulations, they shall be sent for implementation to the Authority as may be declared or constituted by the State Government in this behalf.

Restriction of use of land and buildings thereon after publication. -13.

(1) The Plan as adopted by the State Government shall be published as prescribed in Section 10, and after such publication no person shall use any land, sub-divide any land or set up any new structure on any land covered by the Plan or change the existing structure of any building or use of any building or land within the area except with the permission of the Authority on a written application submitted for that purpose.

(2) Each such application shall be accompanied by a plan drawn to scale showing the actual dimension of the land and the building to be built upon it, the site and the position of the building to be erected and in case of alteration in the use or structure of the building or land, the nature and extent of such alteration.

(3) The authority may also call for such other information as it may deem necessary to examine the application.

(4) The authority shall not refuse the permission except on the ground of contravention of proposals contained in the plan or the Regulations and unless the permission has been refused within a period of one month from the receipt of the application or such other information as may be call for by the authority under sub- section (3), it shall be presumed that the permission has been given.

Prohibition of registration in certain case. – (5). Where any deed or document required to be registered under the Indian Registration Act, 1908, [Act XVI of 1908] purports to sub-divide any land covered by the Plan, no registering officer shall register any such document unless the party presenting the deed or document for registration produces a no objection certificate from the Authority to the effect that the Authority has no objection to the registration of such deed or document.

Power of the State Government to modify the Plan and the Regulation.- 14. The State Government may review the Plan and may modify the Plan and the Regulations from time to time, in such manner and in such procedure as followed for the preparation and approval of the original Plan and the Regulations.

CHAPTER IV

DEVELOPMENT SCHEME

Preparation of the Development Scheme-15 (1) After the commencement of this Act, the State Government after consultation with the Authority. If any, may by notification in the Official Gazette declare any area to be a scheme area for the purpose of this Act.

(2) After the Master Plan has been approved by the State Government the Authority shall define the area which it considers necessary for development. The Director shall prepare a scheme and submit it to the State Government with all information necessary for consideration and approval of the scheme.

(3) While preparing the scheme the Director shall issue a notice inviting the names of all the claimants of any interest on any land or building within the area under the scheme to be submitted within a period not more than one month and submit the same to the Authority along with the scheme and the report.

(4) Save as provided in the Act, the Authority shall not undertake or carry out any development of land in any area which is not a scheme area.

(5) After the commencement of this Act, no development of land shall be undertaken or carried out in scheme area by any person or body of persons except in the manner prescribed under section 13 of this Act.

Publication of the Development Scheme. – 16. The Authority shall have the scheme and the report and names of all the claimants published in the manner prescribed in sub-section (1) of section 10 and have a copy of them served on all persons who preferred claims under sub-section (3) of section 15, inviting objections to be filed within a period not more than two months.

(2) After the period for submitting opinion and objection of the public or any interested persons has expired, the Authority shall examine the scheme in the light of such opinion and objection giving sufficient opportunity for hearing to all such interested persons who have filed objections and demanded hearing in the manner prescribed and shall approved or refuse to approve or approve with such modifications, as it may deem necessary, for the implementation of the scheme and for imposing for that purpose reasonable restrictions in the use of land and buildings within the area.

(3) After the Authority has adopted the scheme, it shall forwarded to the State Government for sanction and shall come into force as soon as the sanction has been accorded by the State Government after taking into account the financial implications of the scheme.

Implication of the Development Scheme.- 17. (1) The Scheme shall come into force from such date as may be fixed by the government in sanctioning the scheme and shall be implemented by such authority as may be authorized by the State Government in that behalf.

(2) No person shall within the area for which the government has sanctioned a Development Scheme, erect or proceed with any building or work or remove or alter or make additions or make any substantial repair to building or a part of it, a compound wall or any drainage work or any earth work or change the use of any land or building except on permission of the authority on applicant submitted for the purpose. Unless the permission has been refused within one month from the date of receipt of the application is shall be presumed that the permission has been given.

Scope of the Development Scheme. – 18. (1) A scheme may be made in accordance with the provisions of the Act in respect of any land which is: -

- (a) in the course of development,
- (b) likely to be used for building purpose, or

(c) already built upon,

Explanation: -

The expression “Land likely to be used for building purposes” shall include any land likely to be used as, or for the purpose of providing open spaces, roads, streets, parks, pleasure or recreational grounds, parking spaces, or for the purposes of executing any work upon or under the land incidental to a scheme, whether in the nature of a building work or not.

(2) Such scheme may make provisions for any of the following matters: -

- (a) the laying out or re-laying out of land, either vacant or already built upon;
 - (b) the filling up or reclamation of low-lying or unhealthy areas or leveling up of land;
 - (c) lay out of new streets or roads constructions, diversion, extension, alteration, improvement and stopping up of streets, roads and communications;

 - (j) the imposition of conditions and restrictions in regard to the open space to be maintained about buildings, the percentage of building area for a plot, the number, height and character of building allowed in specified areas, the purposes to which building or specified areas may not be appropriate, the sub-division of plots, the discontinuance of objectionable uses of land in any area in reasonable periods, parking space and loading and unloading space for any building and the sizes of projections and advertisement signs;
 - (k) the suspension, so far as may be necessary for the proper carrying out of the scheme, of any rule, bye-law regulation, notification or order made or issued under any Act of the State Legislature or any of the Acts which the State Legislature is competent to amend;
 - (l) such other matter not inconsistent with the object of this Act..
- (3) The draft scheme shall contain the following particulars: -

- (a) the area, ownership and tenure of each original plot;
- (b) the land allotted or reserved under clause (e) of sub-section (2) of section 18 with a general indication of the uses to which such land is to be put and the terms and conditions subject to which such land is to be put in such cases;
- (c) the extent to which it is proposed to alter the boundaries of original plots;
- (d) an estimate of the net cost of the scheme;
- (e) a full description of all details of the scheme under such clause of sub-section (2) of section 18, as may be applicable;
- (f) the laying out or relaying out of land either vacant or already built upon;
- (g) the filling up or reclamation of low-lying swamp or unhealthy areas or leveling up of land; and
- (h) any other prescribed particulars.

(4) In the scheme the size and shape of every reconstituted plot shall be determined, so far as may be, to render it suitable for building purposes and where the plot is already built upon, to ensure that the building, as far as possible, complies with the provisions of the scheme as regards open spaces.

(5) In order to render original plots more suitable for building purposes the scheme may contain proposals: -

- (a) to form a reconstituted plot by the alteration of the boundaries of an original plot;
- (b) to provide with the consent of the owners that two or more original plots each of which is held in one ownership in severality or in joint ownership, shall hereafter, with or without alteration of boundaries be held in ownership in common as a reconstituted plot.

(6) The scheme shall include all such provisions as the Authority may think necessary for carrying out the objects of the Act including the following matters.

- (a) the laying out or re-laying out of land, either vacant or already built upon;
- (b) the filling up or reclamation of low-lying swamp or unhealthy areas or leveling up of land;

- (f) drainage inclusive of sewerage, surface or sub-soil drainage and sewage disposal;
- (g) lighting;
- (h) water supply;
- (i) the preservation of objects of historical importance of natural beauty and of buildings actually used for religious purposes.

Amendments and alterations of the Development Scheme. – 19. (1) If after the final scheme has come into force, the Authority considers that the scheme is defective on account of an error or irregularity or for any other reason, it shall refer to the State Government to modify or withdraw the scheme and to publish the modified or withdrawn scheme in the manner prescribed in sub-section (1) of section 10.

(2) The modification of the scheme shall state every amendment proposed to be made in the scheme and if any such amendment relates to matter specified in any or all of the clauses (a) to (l) of sub-section (2) of section 18, the modification shall also contain such other particulars as may be found necessary by the authority.

(3) The variation shall be opened to inspection by the public at the office of the Local Body or Bodies as prescribed, covering the area during office hours.

(4) Within one month of the date of publication of the modification, any person affected thereby may communicate in writing his objection to the Authority.

(5) After receiving the objection under sub-section (4) above, the Authority may, after making such enquiry as it may think fit, approve the proposed modification with or without any further modification thereof.

(6) Such modification shall take effect as if it were incorporated in the scheme from the date of its modification.

(7) The Authority shall thereafter submit the modified scheme to the State Government for sanction. The modified scheme shall be published after sanction as prescribed in sub-section (1) of Section 10.

Power to revoke the Development Scheme. – 20. (1) Notwithstanding anything contained in section 19, a scheme may at any time be modified or revoked by a subsequent scheme made, published and sanctioned in accordance with this Act.

(2) The State Government, at its own initiative or on the application of the Authority may at any time, by a notification in the Official Gazette revoke scheme, if it is satisfied that under the special circumstances of the case shall be revoked;

Provided that where revocation or modification is order by Government after people have partially or wholly implemented, in a scheme, compensation should be paid for the necessary alterations in the manner prescribed.

Power of the Authority to impose restrictions. -21. For the purpose of the Master Plan, the Land-use and Zoning Regulation and the Scheme, the Authority may imposed reasonable restrictions on the use of the land and building including the regulation of the open spaces to be maintained around the building or buildings, the percentage of the plot area to be covered by building or buildings, the number of building or buildings on each plot, height and character of building or buildings allowed in specified areas, the purpose for which building or buildings or the specified areas may or may not be used, the sub-division of plots, parking space and loading and unloading space for any building and the sizes of projections and such other matters not inconsistent with the objects of this Act.

CHAPTER V

STREETS AND LAND SUB-DIVISIONS

Width of Public Streets.- 22. (1) The authority shall, from time to time, with the sanction of the State Government specify the minimum width for different classes of public streets according to the nature of the traffic likely to be carried there, the localities in which they are situated, the heights up to the buildings abutting thereon may be erected and other similar considerations.

(2) The width of a new public street shall not be less than that prescribed in sub-section (1) or that shown on the Master Plan for the class to which it belongs in areas for which a Master Plan has been prepared.

Power to prescribed street lines.- 23. The authority may prescribe a line on one or both sides of any public street, provided a public notice of the proposal has been issued by the Authority in the prescribed manner. No person shall construct or reconstruct any portion of any building on land within the prescribed new street line.

Setting back buildings to the prescribed street line. – 24. (1) If any building or any part of a building abutting on a public street is within such line of the street, the Authority may require such building to be set back to the prescribed line, whenever it is proposed: -

- (a) to re-build such building or to take down such building;
- (b) to remove, reconstruct or make any addition to or structural alteration in any portion of such building which is within the regular line of the street.

(2) When any building or any part thereof within the prescribed line of the street falls down or is burnt down or is taken down, under the provisions of this Act or otherwise, the Authority may at once take possession of the portion of land within the prescribed line of the street previously occupied by the said building and if necessary clear the same.

(3) Land acquired under the foregoing sub-sections shall henceforward be deemed to be a part of the public street.

Acquisition of land within the line of street. – 25. If any private land whether open or enclosed, lies within the prescribed line of a public street and is not occupied by a building

or if a platform, verandah, steps, compound wall, hedge or fence or other structure, is within the line of such street the Authority may, after giving the owner of the land or building a notice of an intention to do so, take possession of the said land with its enclosing wall, hedge or fence, if any, or of the said platform, verandah, steps, of such other structure as aforesaid or of the portion of the said platform, verandah, steps or other such structure as aforesaid which is within the prescribed line of the street.

Acquisition of the remaining part of building and land after their portions within prescribed line of the street are acquired. – 26. If a building or land is partly within the prescribed line of a public street and if the Authority is satisfied that the land remaining after exclusion of the portion within the said line will not be suitable or fit for construction of independent building, the Authority shall acquire the remaining portion of the land if so desired by the owner.

Sub-division of private land. – 27. (1) Every person who intends to sub-divide any plot of land within the Master Plan Area shall give notice in writing to the Authority of his said intention and such notice shall be accompanied by the plans and statements in triplicate.

(2) All plans for sub-division of land shall be in accordance with the standards prescribed by the State Government.

Plans accompanying notice.- 28. A layout plan drawn to a suitable scale and containing the following information shall accompany the notice given under section 27: -

- (a) the location of the land,
- (b) the boundaries of the proposed land shown on the map, and sufficient description to define the same,
- (c) name and address of the owner of the land,
- (d) location, name and present widths of the adjacent roads and lanes,
- (e) the major physical characteristics of the land proposed to be sub-divided, including topography, the approximate location and width of any water course and location of any areas subject to inundation or flood,
- (f) the complete layout of the proposed subdivision showing the location and widths of all the proposed streets, dimension and uses of all the plots,
- (g) the location of all drains, sewers and other utilities,
- (h) building lines permissible,
- (i) key plan.

Sanction with or without modification or refusal. – 29. (1) The Authority may either grant or refuse the approval to the plans or may approve them with such modifications

as it may deem fit and thereupon shall communicate its decision to the person giving the notice within three months from the date of notice.

(2) No person shall be allowed to construct a building on any plot of land, the subdivision of which has not been previously approved by the Authority.

Layout not according to plan. – 30. Should the Authority determine at any stage that the layout or the construction is not proceeding according to sanctioned plan or is in violation of any provisions of this Act, it shall serve a notice on the applicant requiring him to stay further execution until correction has been effected in accordance with the approved plan.

Penalty for violation. – 31. The Authority will have power to impose fine not exceeding rupees two hundred and fifty on any person, firm or corporation who violates, disobeys, refuses to comply with, or who resists the enforcement of any of the provisions of this Act. Continuation of the violation shall constitute offence for which a fine of rupees fifty per day may be imposed for the days after the first conviction. An appeal shall lie to the Appellate Authority constituted under this Act.

CHAPTER VI

ACQUISITION OF LAND

Power of State Government to acquire land. – 32. Where on the representation of the Authority it appears to the State Government that in order to enable it to execute the scheme it is necessary that land within, adjoining or surrounded by any such area should be acquired, the State Government may in consultation with the Council acquire the land by publishing in the Official Gazette a notice to the effect that the State Government has decided to acquire the land in pursuance of this section.

Proceeding for acquisition of land. – 33. (1) The provisions of the land Acquisition Act, 1984 [1 of 1894] shall be applicable for acquisition of land under this Act and the compensation shall be computed under the provisions of the same Act.

(2) In computing compensation for land acquired, the value will be the market value as it prevailed on the 1st January, 1962.

(3) The owner of the lands will be entitled to the reasonable cost of development, if any, made during the period.

(4) Twenty five percent increase in value on the date of acquisitions of land.

Disposing of land. – 34. Subject to the rules made under this Act, and with the previous sanction of the State Government, the Authority may retain, lease, exchange or otherwise transfer any land acquired by it under this Act;

Provided that in case of lease or transfer the owner will get first priority, if due to acquisition he becomes landless.

Provided of private negotiation before compulsory acquisition. – 35. (1) The Authority may in the first instance, make reasonable efforts to purchase any land by private negotiation.

(2) In case of failure to purchase the land by private negotiation within a specified time, the said land shall be compulsorily acquired.

(3) Nothing in this section shall however, debar the State Government or a local authority from compulsorily acquiring any land without prior private negotiation.

Payment to owner by adjustment. – 36. All payments due to be made to any person by the Authority, under this Act, shall so far as possible, be made by an adjustment in respect of the plot concerned or of any other plot in which he has an interest and failing such adjustment shall be paid in cash or in such other way as be agreed upon by the parties.

CHAPTER VII

COMPENSATION AND BETTERMENT

Right to compensation. -37. Any person whose property is injuriously affected in value by the making of a scheme shall, if he makes a claim for the purpose within a period of three months after the date of publication of a notification sanctioning the scheme under section 16, be entitled to obtain compensation in respect from the authority.

No right to compensation. – 38. A person shall not be entitled to obtain compensation under foregoing section on account of any building erected on or contract made or other thing done with respect to any land within the area included in a scheme after the date of the notification of the scheme under section 15;

Provided that this provision shall not apply to any building erected, contract made or other things done in accordance with the permission granted under section 13 and 17 of this Act.

Power of Government to exclude compensation in certain cases. – 39. (1) No compensation shall be payable in respect of any property which may be injuriously affected by putting into operation of any provision of the scheme which: -

- (a) prescribes the space about buildings; or
- (b) limits the number of buildings; or

- (c) regulates the size, height, design or external appearance of buildings; or
- (d) prohibits or restricts building operation permanently or temporarily on the ground that erection of buildings thereon will be likely to be injurious to the health of the occupants or the neighbours or likely to cause excessive expenditure of public money in making provision for roads, sewers, water supply or other public services; or
- (e) prohibits or restricts the use of land or a building for a purpose which may involve danger or injury to public hygiene or the health of the occupants or their neighbours or for a purpose which is against public policy or public morals; or
- (f) in the interest of safety, regulates the height and position of proposed walls, and building fences or hedges near the corners or bends or roads; or
- (g) in the case of the erection of any building intended to be used for purposes of business or industry, requires the provision of parking the vehicles.

(2) No compensation shall be payable for refusal of permission to make any alteration in any building which is not in conformity with the use specified in the Plan or in the scheme.

Right of owner to require Authority to acquire or purchase land. – 40. (1) The owner of any land which is to be acquired for purposes of a scheme may, at any time, after sanction of the scheme by the Government, by a written notice to the Authority in the prescribed manner, call upon it to acquire or purchase the land in so far as the land is to be acquired by the State Government or the Authority.

(2) If within six months of the service of the notice under sub-section (1) the land is not purchased or acquisition proceedings are not started the scheme, in so far as that land is concerned, shall be deemed to have been withdrawn and all notices and orders in that connection shall lapse.

Levy of betterment fee.-41. (1) Every property which has increased in value due to its inclusion within an area under a plan or a scheme or due to the execution of such schemes shall be charged with a betterment fee;

Provided that no such fee shall be levied on such public land or building ads are used for charitable, religious and educational purposes or for places of non-professional entertainment and recreation.

(2) Betterment fee shall be an amount equal to twenty percent in case of residential holdings so long the original owners use for their residences and equal to fifty percent in case of non-residential areas and will be realized in five equal installments.

Explanation.- The increase in value for this Section shall be the increase in the market prices between the date on which a notification under sub-section (1) of section 15 has been issued and the date on which the execution of the scheme has been substantially completed.

Appeal.42. (1) Any person aggrieved by the decision of the Authority with respect to matters of compensation and betterment fee, may appeal to the Appellate Authority within thirty days of the award.

(2) If the owners of any property objects to the amount of betterment fee determined by the Authority on any ground he shall also state the amount which, he contends would be correct and may within thirty days of the date on which the determination of his objection or appeal becomes final by written notice, require, the authority to acquire the property together with any building or other works that may exist thereon.

(3) The authority shall thereupon acquire the property.

CHAPTER VIII

APPEALS AND THE APPELLATE AUTHORITY
