Authority Electricity Act, 1973.*

[West Ben. Act

(Sections 3, 4.)

- (d) "licensee" means any person licensed under Part II of the Indian Electricity Act, 1910, to supply energy and includes any person who has obtained the sanction of the State Government under section 28 of that Act and also includes the West Bengal State Electricity Board constituted under section 5 of the Electricity (Supply) Act, 1948;
- (e) "prescribed" means prescribed by rules made under this Act;
- (f) "Schedule" means a Schedule to this Act.

Duty on
units of
energy
consumed.

3. There shall be charged, levied and paid to the State Government a duty (hereinafter referred to as "electricity duty"), on the units of energy consumed, at the rates in force from time to time as specified in the First Schedule:

Provided that electricity duty shall not be leviable on the units of energy consumed—

- (a) by any Government, except to the extent specified in the Second Schedule;
- (b) by, or in respect of, any—
 - (i) railway administration as defined in the Indian Railways Act, 1890;
 - (ii) inter-State river valley authority;
 - (iii) local authority;
 - (iv) institution or class of persons specified in the Second Schedule,except to the extent specified in the Second Schedule;
- (c) in any—
 - (i) place of public worship, public burial or burning ground or other place for the disposal of the dead;
 - (ii) premises declared by the State Government to be used exclusively for the purposes of public charity;
 - (iii) vessel, whether sea-going or inland.

Payment of
electricity
duty.

4. In the case of energy which is—
- (a) received by a licensee and supplied by him to consumers, the licensee shall collect and pay to the State Government, at the prescribed time and in the prescribed manner, the electricity duty payable under section 3 on the units of energy supplied by him to consumers and the duty so payable shall be a first charge on the amount recoverable by such licensee for the energy supplied by him to consumers and such amount shall be deemed to be a debt due by him to the State Government:

(Section 5.)

Provided that such licensee shall not be liable to pay the duty in respect of any energy supplied by him for which he has been unable to recover any amount due to him from the consumer;

- (b) received by any other person (not being an employee of an inter-State river valley authority or any other person in the occupation of any premises owned or controlled by such authority) who, having obtained such energy directly from an inter-State river valley authority, either consumes such energy or distributes such energy, whether wholly or partly, to any other person, the first mentioned person shall pay to the State Government, at the prescribed time and in the prescribed manner, the electricity duty payable under section 3 on the units of energy received by him;
- (c) supplied by any inter-State river valley authority, to its employees, or to any other person, in the occupation of any premises owned or controlled by it, such authority shall pay to the State Government, at the prescribed time and in the prescribed manner, the electricity duty payable under section 3 on the units of energy so supplied by it.

5. (1) Where any energy—

- (a) received by a person (other than a licensee) is supplied by such person to any of his employees or to any other person, or
- (b) is consumed by an inter-State river valley authority by supplying it to any premises owned or controlled by it, which is in the occupation—
 - (i) of any of its **employees for residential** purposes, or
 - (ii) of any other **person**, or
 - (iii) of both,

Right to recover electricity duty in respect of energy supplied to certain persons.

such person or **authority shall be entitled** to recover an amount, **equal to the amount of** the electricity duty payable under section 3, from the employee or other person to whom such energy was supplied:

Provided that nothing shall be recoverable under this sub-section from an employee referred to in clause (a) or clause (b), if the employee has not used in any one month more units of energy than the units exempted, in the case of a consumer, under clause (6) of the Second Schedule.

- (2) Where an amount equal to the amount of the electricity duty payable under section 3 in respect of any energy used by an employee is not recoverable from him by reason of the proviso to sub-section (1),

(Sections 6-8.)

the person (other than a licensee) or an inter-State river valley authority, as the case may be, supplying such energy, shall, notwithstanding anything contained in clause (b) or clause (c) of section 4, be entitled to deduct, the amount not so recoverable, from the amount of the electricity duty payable by him or it under section 3.

(3) The person referred to in clause (b) of section 4 or the inter-State river valley authority referred to in clause (c) of section 4 shall be entitled to remission of duty payable by him or by it in respect of the amount which he or it has been unable to recover under sub-section (1).

(4) Every authority or person referred to in this section shall, for the purposes of determining the amount liable to be deducted under sub-section (2) or the amount of remission of duty under sub-section (3) maintain such records and registers as may be prescribed.

Power of
licensee to
recover
electricity
duty from
consumers.

6. (1) Where any consumer fails or neglects to pay at the prescribed time and in the prescribed manner the amount of electricity duty due from him, the licensee may, without prejudice to the rights of the State Government to receive the amount under section 9, and after giving not less than seven clear days' notice in writing to such person, cut off the supply of energy to such person, and he may, for that purpose, exercise the power conferred on a licensee by sub-section (1) of section 24 of the Indian Electricity Act, 1910, for recovery of any charge or sum due 9 of 1910. in respect of energy supplied by him.

(2) The licensee shall be entitled, for his cost of collection of the duty, to a rebate of such percentage as may be determined by the State Government on the amount of the duty collected and paid by him under section 4.

Obligation
of licensees
to keep
books of
account and
submit
returns.

7. A licensee, who is liable to pay electricity duty under section 4, shall, unless he is exempt from payment of such duty under the proviso to section 3, keep books of account in the prescribed form and submit to the State Government or to the prescribed officer returns in the prescribed form at the prescribed time, showing the units of energy supplied, received or consumed by him, as the case may be, and the amount of the duty payable thereon and recovered or paid by him under section 4.

Inspecting
officers.

8. (1) The State Government may, by notification in the *Official Gazette*, appoint inspecting officers to inspect books of account required by section 7 to be kept and such officers shall perform such duties and exercise such powers as may be prescribed for the purpose carrying into effect the provisions of this Act and the rules made thereunder.

PART B

For any other purpose

SECTION I

**Rates in force from the 1st February, 1958 to the
30th April, 1963**

- (a) For every three units of energy or fraction thereof consumed—
- (i) by any undertaking which is a cottage industry or a small-scale industry and which is not a factory under the Factories Act, 1948, or
 - (ii) by any industrial undertaking for electrolytic process or electric furnace subject to the condition that the inspecting officer appointed under sub-section (1) of section 8 is satisfied that the cost of the energy consumed is not less than 20 *per cent.* of the total cost of manufacture incurred by such industrial undertaking;

where separate meters or sub-meters are installed for indicating such consumption separately—one paisa.

- (b) For every unit of energy or fraction thereof in cases not falling under clause (a)—one paisa.

SECTION II

**Rates in force from the 1st May, 1963 to the
15th November, 1967**

- (a) Except in cases falling under article (b) or article (c), where energy is consumed in any premises—

- (i) otherwise than in connection with any industrial or manufacturing process, for every unit of energy or fraction thereof so consumed—one paisa,

(The First Schedule.)

- (ii) in connection with any industrial or manufacturing process, for every two units of energy or fraction thereof so consumed—three paise.
- (b) For every three units of energy or fraction thereof consumed for purposes of—
- (i) a cottage industry or a small-scale industry, by any undertaking not being a factory as defined in the Factories Act, 1948, or
- (ii) electrolysis or heating in electric furnaces, by any industrial undertaking;
- where separate meters or sub-meters are installed for indicating the quantity of energy so consumed—one paisa.
- (c) For energy consumed in any premises for lights, or fans, or both, and for any other purpose in connection with any industrial or manufacturing process carried on therein, in cases where the quantity of energy consumed for lights or fans is not separately indicated by the installation of separate meters or sub-meters or otherwise,—
- the respective rates specified under article (a) or (b), and, except in the case of premises occupied by a cottage industry or a small-scale industry referred to in clause (i) of article (b), a surcharge of ten *per cent.* of the duty payable for the total quantity of energy consumed in accordance with such rates.

SECTION III

Rates in force from the 16th November, 1967

- (a) Except in cases falling under article (b) or article (c), where energy is consumed in any premises,—
- (i) otherwise than in connection with any industrial or manufacturing process, for every unit of energy or fraction thereof so consumed—three paise,
- (ii) in connection with any industrial or manufacturing process, for every two units of energy or fraction thereof so consumed—three paise.
- (b) For every three units of energy or fraction thereof consumed for purposes of—
- (i) a cottage industry or a small-scale industry, by any undertaking not being a factory as defined in the Factories Act, 1948, or
- (ii) electrolysis or heating in electric furnaces, by any industrial undertaking;
- where separate meters or sub-meters are installed for indicating the quantity of energy so consumed—one paisa.

(The First Schedule.)

(c) For energy consumed in any premises for lights, or fans, or both, and for any other purpose in connection with any industrial or manufacturing process carried on therein, in cases where the quantity of energy consumed for lights or fans is not separately indicated by the installation of separate meters or sub-meters or otherwise,—

the respective rates specified under article (a) or (b), and, except in the case of premises occupied by a cottage industry or a small-scale industry referred to in clause (i) of article (b), a surcharge of ten *per cent.* of the duty payable for the total quantity of energy consumed in accordance with such rates.

Explanation.—(a) The special rate of duty referred to in clause (ii) of article (b) in Section II or Section III of this Part shall not be admissible unless—

(i) the cost of energy consumed for purposes of electrolysis or heating in electric furnaces is twenty *per cent.* or more of the total cost of manufacture by electrolysis or heating in electric furnaces, and

(ii) separate books of account are maintained showing separately the details of the cost of energy consumed for purposes of electrolysis or heating in electric furnaces and the total cost of manufacture by electrolysis or heating in electric furnaces.

(b) An industrial undertaking claiming the benefits of the special rate of duty referred to in clause (ii) of article (b) in Section II or Section III of this Part shall make an application in writing to an officer specially appointed in this behalf by the State Government by notification in the *Official Gazette* and thereupon such officer shall, after giving the applicant an opportunity of being heard and after making such enquiry (if any) as he may think fit, make an order,—

(i) if he is satisfied that the requirements of this Act and the rules made thereunder have been complied with, allowing the application, or

(ii) if he is not so satisfied, rejecting the application, and such order shall, subject to the provisions of clause (c), be final.

(c) The State Government may, on application or of its own motion, revise any order made under clause (b).

(The Second Schedule.)

THE SECOND SCHEDULE

(See proviso to section 3.)

Exemptions

- (1) Any Government, save in respect of premises used for residential purposes;
- (2) a railway administration, save in respect of premises used for residential purposes;
- (3) an inter-State river valley authority, save in respect of premises used for residential purposes;
- (4) a local authority, save in respect of premises used for residential purposes;
- (5) a hospital or dispensary which is not maintained for private gain;
- (6) any consumer using in any one month not more than—
 - (a) fifteen units of energy, during the period prior to the 16th November, 1967, or
 - (b) twenty-five units of energy, during the period commencing with the 16th November, 1967;
- (7) any consumer, being a landlord, or other person who supplies energy to one-roomed or two-roomed shops or tenements in any one building, in respect of the energy supplied to any such shop or tenement in which have been used in any one month not more than—
 - (a) fifteen units of energy, during the period prior to the 16th November, 1967, or
 - (b) twenty-five units of energy, during the period commencing with the 16th November, 1967.

Explanation.—(1) For the purposes of exemption (6) in the premises referred to in article (2) of the First Schedule every 10 watts shall be deemed to consume one and a half units in a month.

(2) For the purposes of exemption (7), whether more than fifteen units, or, as the case may be, twenty-five units, of energy have been used in any one month in any shop or tenement for which there is no meter or sub-meter shall be determined by dividing the total number of units supplied during that month to such shops or tenements in the building by the number of such shops or tenements therein.
