If such person makes an application to the Competent Authority for the extension of the period specified in the notice, such Authority may grant the same on deposit of one hundred rupees and on such terms as to payment and recovery of the amount claimed in the notice, as such Authority thinks fit.

(7) Where the Municipal Commissioner has under section 175 of the Corporation Act refunded two-thirds of the amount of general tax paid in respect of any property or part thereof for any period, the Municipal Commissioner shall, under intimation to the Board, also refund two-thirds of the amount of cess if paid in respect of that property or part thereof for the same period and if the cess is not paid, reduce the demand for cess to one-third of the amount of cess payable for that period.

(8) Notwithstanding anything contained in any law and notwithstanding any rights arising out of any contract or otherwise howsoever, any sum due as cess in respect of any land or building shall, subject to prior payment of land revenue and the education cess and penalty levied under the Maharashtra Education and Employment Guarantee (Cess) Act, 1962 (Mah. ⁷ Sub-section (2) was deleted by Mah. 16 of 1998, s. 2(b).

Explanation.— In this section ‘building’ means building as a whole, and not any part thereof or premises therein taken separately.

84. Assessment book maintained under Corporation Act to contain entries showing categories to which buildings liable to cess belong and other particulars.— (1) For the purpose of assessing the amount of cess leviable under this Chapter, the Municipal Commissioner shall, in a Schedule appended to the assessment book maintained by him under section 156 of the Corporation Act (which shall be deemed to be a part of such assessment book) cause additional entries to be made showing the Category to which every property on which the cess is leviable belongs to such other particulars as he deems necessary.

Where a building is erected before the 1st day of September 1940, the building shall be classified as belonging to Category A.

Where a building is erected between the period from the 1st day of September 1940 to 31st day of December 1950 (both inclusive), the building shall be classified as belonging to Category B.

Where a building comprised in any property is erected between the period from the 1st day of January, 1951, to the day immediately preceding the date on which the provisions of the Bombay Building Repairs and Reconstruction Board Act, 1969 (Mah. XLVII of 1969) are brought into force in the area in which the building is situated, the building shall be classified as belonging to Category C.

Where a floor or any part of a building is constructed subsequently, the date of construction, area and other description of such floor or part shall be shown separately.

(2) Where additional entries regarding any land or building in existence in any area on the date on which this Chapter comes into force are made for the first time, the Municipal Commissioner shall give individual notice thereof to the person primarily liable for the payment of the property taxes in the manner laid down in sections 483 to 485-A (both inclusive) of the Corporation Act and also public notice thereof in the manner laid down in section 160 of that Act and of the place where the ward assessment book so amended, or a copy of it, may be inspected. (3) In applying the provisions of sub-section (1) of section 165 of the Corporation Act, for the purposes of sub-section (2) of this section, for the words ‘the commissioner’ the words and figures “the Commissioner in consultation with an Engineer of the Corporation and an Engineer of the Authority established under the Maharashtra Housing and Area Development Act, 1976 (Mah. XXVIII of 1977)”, shall be deemed to be substituted.

There shall, however, be created a separate fund called ¹[the Mumbai Building and Reconstruction Fund] (in this Chapter referred to as “the Repairs Fund”) and the amount so transferred to the fund of the Authority shall be withdrawn therefrom and transferred to such Repairs Fund.

(2) The amount transferred to the Repairs Fund under sub-section (1) shall be charged on the Consolidated Fund of the State.

(3) The amount in the Repairs Fund shall be placed by the Authority at the disposal of the Board for being expended for the purposes of this Chapter. The State Government may make rules regulating all matters connected with the Repairs Fund, including the manner in which that Fund shall be maintained, operated and expended.

87. Default of ²[Mumbai Corporation] in collecting or paying cess.— (1) If the ³[Mumbai Corporation] makes default in the collection or payment to the State Government of any sums due in respect of the cess, the State Government may, after holding such inquiry as it thinks fit, fix a period of the collection or payment of such sum.

(2) If the collection or payment of the sum is not made within the period so fixed, the State Government may, notwithstanding anything contained in any law relating to the funds vesting in the ⁴[Mumbai Corporation] or any other law for the time being in force, direct any bank in which any moneys of the ⁵[Mumbai Corporation] are deposited or the person in charge of the Government Treasury or of any other place of security in which the moneys of the ⁶[Mumbai Corporation] are deposited to pay such sum from such moneys as may be standing to the credit of the ⁷[Mumbai Corporation] in such bank or, as the case may be, in the hands of such person or as may from time to time be received from or on behalf of the ⁸[Mumbai Corporation] by way of deposit by such bank or person; and such bank or person shall be bound to obey such order.

Structural Repairs.

88. Board to undertake structural repairs to buildings which are in ruinous condition and likely to deteriorate and fall.— (1) Subject to the other provisions of this Chapter, where the Board on consideration of the information given by the Municipal Commissioner, or a report or its officer authorised for the purpose, or other information in its possession, is satisfied that any building, which is occupied by persons, is in such a ruinous or dangerous condition, that it is imminently likely to fall unless structural repairs which will render it fit and safe for habitation, are urgently done, then in such cases, the Board shall, subject to the provisions of sub-section (3), undertake such repairs to that building.

(2) The Board may prepare a list of such buildings setting out the order of priority or urgency in respect of which structural repairs are necessary, and may undertake simultaneously or in such order of priority the structural repairs according to the exigencies of the case and its resources.

¹(3) If the Board is of opinion that—

(a) the cost of structural repairs to ²[a building per square metre, will exceed such amount, as may be specified by the State Government, by notification in the *Official Gazette*, to be the structural repairs cost per square metre] or

(b) the cost of structural repairs to ³[a building, per square metre, will exceed the amount specified under clause (a)] but the size of the land on which such building is standing is such that for some reason or the other it would not be possible or economical to erect any new building thereon and there is an adjoining building but the cost of structural repairs to ⁴[such building, per square metre, does not exceed the amount specified under clause (a)]

then in cases falling under clause (a) or clause (b) the Board, notwithstanding anything contained in this Chapter, may not consider such building or buildings for repairs and may issue a certificate to the effect to the owner or owners thereof, as the case may be, affix a copy of the relevant certificate in some conspicuous part of the building or buildings for the information of the occupiers and proceed to take action as provided in this Chapter :

Provided that, in cases of special hardship, the Board may, on such terms and conditions as it may deem fit to impose, consider a building for structural repairs even if the cost of such repairs is likely to exceed the limit aforesaid :

Provided further that, where in any case the occupiers of a building undertake that they shall bear the cost of such repairs which are in excess of ⁵[the amount specified under clause (a)] and abide by such terms and conditions for payment of the excess cost to the Board as it may think fit to impose, the Board may carry out structural repairs to such building.

(4) The Municipal Commissioner shall, from time to time, send to the Board, full particulars of the buildings which are in a ruinous or dangerous condition and the condition of which is such that they are likely to fall if structural repairs are not urgently undertaken or in respect of which he has served notice under section 354 of the Corporation Act, but the same have not been complied with.

89. Procedure before undertaking structural repairs.— (1) Where the Board is satisfied under section 88 that structural repairs are necessary to a building, the Board shall give the owner thereof a notice of not less than fifteen days, informing that the Board intends to carry out such repairs on and from a date specified in the notice, being a date which shall be after the expiry of the period specified in the notice, and asking him to submit objections or suggestions, if any, thereto before the time specified in the notice.

(2) The notice shall also require the owner to furnish to the Board a statement in writing signed by the owner stating therein the names of all occupiers of the building known to him from his record,

¹ Section 6 of Mah. 21 of 1980 reads as under :—

6. Adjustment of payments made by occupiers for excess cost before 1st October 1980.— (1) If on the date of commencement of this Act, the Board has already undertaken structural repairs to any building, or is likely to undertake such repairs to any building before the 1st October 1980, the occupiers may by application in writing intimate their option on or before the 31st March 1981 whether such repairs should be carried out at the cost of the Board not exceeding two hundred rupees per square metre, instead of not exceeding one hundred and twenty rupees per square meter.

(2) On receipt of such intimation, the Board shall re-calculate the excess cost, if any, to be paid to the Board by the occupiers. If the amount already paid by the occupiers is more than the excess cost thus re-calculated, surplus amount with the Board shall be refunded to the Occupiers but the occupiers shall be liable from the 1st October 1980 to revised rate of cess applicable when the Board contributes towards the cost of the repairs at the rate exceeding one hundred and twenty rupees but not exceeding two hundred rupees per square metre.”

the approximate area and location of the premises in occupation of each occupier and the rent, compensation or amount (including permitted increases, if any), charged therefor.

(3) A copy of such notice shall also be affixed in conspicuous part of the building to which it relates and also published by proclamation or near such building accompanied by a beat of drum for the information of the occupier thereof and for giving them an opportunity to submit objections or suggestions, if any.

(4) On such affixation and publication of the notice, the owner, occupiers and all other persons interested in such building shall be deemed to have been duly informed of the matters and contents stated in the notice.

(5) After considering the objections and suggestions received within the time aforesaid, the Board may decide to carry the repairs with or without modification or may postpone the repairs for a certain period, or may cancel the intention to repair.

(6) Where the Board has reason to believe that the building is immediately dangerous for habitation, the notice may be returnable within 24 hours from the service thereof.

(7) The Board may, before giving any such notice or before the period of any such notice has expired, take such temporary measures as it thinks fit to prevent danger to, or from, the said buildings.

(8) Any owner who refuses to furnish a statement as required by sub-section (1) or intentionally furnishes a statement which is false in any material particular shall, on conviction, be punished with fine which may extend to one thousand rupees.

90. Temporary accommodation pending structural repairs.— (1) Where the Board, before undertaking structural repairs to any building is of the opinion that all or any of the occupiers thereof should temporarily vacate their premises till the repairs are completed, the board shall give them notice to vacate by a date or dates specified in the notice, and allot temporary accommodation to such occupiers in any buildings maintained by the Authority for such purpose, at such places and to such extent as it deems fit.

(2) Such temporary accommodation may not be in the same locality or of the same floor area as the premises vacated by the occupiers.

(3) If any occupier fails to accept and occupy the accommodation allotted to him within one month from the date of allotment, the responsibility of the Board to provide him with any accommodation shall cease.

(4) Subject to the next succeeding sub-section, such occupier shall, however, have a right to reoccupy his premises in the building after it is repaired.

(5) The use and occupation of the temporary accommodation allotted to an occupier shall be free of charge, but shall be subject to ¹[the payment of such service charges] and such other terms and conditions as the Board may from time to time determine.

(6) The occupier shall, on accepting the accommodation allotted to him, continue to pay the owner the rent (including permitted increase, if any) in respect of the premises vacated by the occupier.

(7) Where an occupier does not accept the accommodation allotted by the Board, such occupier shall, nevertheless be liable to continue to pay the owner the rent (including permitted increase, if any), of the premises vacated by him, unless by giving proper notice to the owner, he surrenders his tenancy or other right.

(8) The occupier, whether he accepts the accommodation or makes his own arrangement, shall also be liable, until his tenancy continues, to pay to the owner his proportionate contribution for the cess as if he had not temporarily vacated the premises and shall be liable for all the consequences if he fails so to pay.

(9) Where an occupier does not vacate his premises, the Board may take or cause to be taken such steps and use or cause to be used such force as may be reasonably necessary for the purpose of getting the premises vacated.

¹ These words shall and shall be deemed to have been inserted with effect from the 1st day of April 1985 by Mah. 12 of 1989, s. 8.

(10) The Board may, after giving fifteen clear days notice to the occupiers who were required to vacate the premises under sub-section (9) and affixing a copy thereof on or near the premises, in some conspicuous place, remove or cause to be removed or dispose of by public auction any property remaining in such premises.

(11) Where the property is sold under sub-section (10), the sale proceeds shall, after deducting the expenses of sale, be paid to such person or persons as may be entitled to the same :

Provided that, where the Board is unable to decide as to the person or persons to whom the balance of the amount is payable or as to the apportionment of the same, it shall refer such dispute to a civil court of competent jurisdiction, and the decision of the court shall be final.

(12) Where the work of carrying out structural repairs to any building is nearing completion or is completed, the Board shall give notice to the occupiers concerned by affixing it in some conspicuous part of the building and by sending it by post to the address which may have been registered with the Board by any occupier and in such other manner as may be laid down in the regulations, that the building is likely to be or ready for re-occupation from the date specified in the notice and that the occupiers should re-occupy their respective premises in such building within a period of one month from such date.

(13) If an occupier fails to re-occupy his premises within such period of one month, his tenancy or other right in respect of such premises shall, notwithstanding anything contained in any contract or in the Rent Act or any other law for the time being in force, be deemed to be terminated, and the owner shall be entitled to possession thereof.

(14) If such occupier has accepted any temporary accommodation allotted to him under this section he shall vacate the same forthwith, and if he does not vacate forthwith or within such time as the Board may permit in writing, he shall be liable to be evicted therefrom under the provisions of Chapter VI of this Act as if such person was in an unauthorised occupation of the Authority premises.

91. Repairs or reconstruction of buildings which suddenly collapse or become uninhabitable.— (1) Where a building suddenly collapses or becomes uninhabitable due to fire, torrential rain or tempest or otherwise and all or any of the occupiers thereof are dishoused, the Board shall allot temporary accommodation to such occupiers in any building maintained by the Authority for such purpose at such places and to such extent as it deems fit, and the provisions of the last preceding section shall *mutatis mutandis* apply as they apply in relation to occupiers of buildings which are undertaken to be structurally repaired.

(2) In the case of any such building, if the Board is of the opinion that the building is capable of being repaired and rendered fit for habitation at reasonable expense, the Board shall immediately undertake the necessary repairs and the last preceding section and other provisions of this Chapter shall apply *mutatis mutandis* to such repairs as they apply to structural repairs.

(3) Where the whole building collapses or is rendered uninhabitable, or the Board is of the opinion that the building is not capable of being repaired and rendered fit for habitation at reasonable expense, the Board may move the State Government to acquire the property under the provisions of this Chapter and take necessary further action to construct a new building on the site to accommodate the dishoused occupiers and to provide accommodation for other purposes specified in sub-section (2) of section 92.

(4) The provisions of succeeding section shall apply *mutatis mutandis* to the acquisition, reconstruction and rehabilitation of occupiers of such buildings.

(5) Where the whole building collapses or is rendered uninhabitable, and is, therefore, not capable of being repaired and rendered fit for habitation, and the property is not acquired under sub-section (3), then, no plan for creating any new building on land on which such building was standing shall be sanctioned by ¹[the Mumbai Corporation] unless a no objection certificate from the Board has been produced along with such plan for erecting such building.

(a) the redevelopment work is left incomplete, delayed or has not been commenced within three years from the date of issue of No Objection Certificate ; or

(b) the redevelopment work of old cessed building is stalled for more than two years from the date of issue of the Commencement Certificate by the Mumbai Municipal Corporation or Planning Authority ; or

(c) the holder of the No Objection Certificate has committed breach of any of the terms and conditions of the No Objection Certificate or has not paid rent for temporary alternate accommodation to the tenants or occupants of such building,—

the Board may, after obtaining the prior approval of the State Government, initiate the action for acquisition of such building under the provisions of the Act and shall complete the redevelopment work.]

92. Submission of proposal for acquisition.— (1) If in respect of any building the Board has issued a certificate under sub-section (3) of section 88, or the Municipal Commissioner has under section 354 of the Corporation Act, issued a written notice requiring the owner or occupier thereof to pull down the building, with a view to preventing all cause of danger therefrom, and the Board is of the opinion that such building is not capable of being repaired or rendered fit for habitation at reasonable expense and is dangerous or injurious to the health or safety of the inhabitants thereof or, where ¹[the Mumbai Corporation] has under section 354R of the Corporation Act passed a resolution declaring the area in which any such building is situated as the clearance area, the Board may submit to the State Government a proposal to acquire the land, including a proposal for issue of a clearance and compulsory acquisition order to clear and acquire the land with the existing building in whatever condition thereon and for constructing a new building on the same site, and simultaneously prepare plans and estimates for these purposes.

(2) In preparing the plans and estimates of the building to be reconstructed, it shall be the duty of the Board to see that all the occupiers in the building proposed to be demolished shall, as far as practicable, be provided in the reconstructed building accommodation with a floor area equivalent to their floor area in the old building : ²[* * *]

³[Provided that, in the case of an occupier of a residential tenement the floor area of the accommodation in the reconstructed building, shall not be less than the 20.90 square metres and more than the 70 square metres.]

(3) Those dishoused occupiers who cannot be so accommodated in the reconstructed building shall be provided with alternative accommodation in any building maintained by the Authority for such purpose or in any new building constructed by the Authority wherein surplus accommodation is available.

(4) After making provision for the matters aforesaid, if there is any surplus area in the new building, it may be utilised by the Board for such other purposes as it deems fit, with a view to reducing the incidence of ⁴[instalments towards the price of the tenements] on the occupiers of residential tenements by maximum exploitation of such surplus area for other purposes.

(5) If in respect of any building,—

(a) the Municipal Commissioner has under section 354 of the Corporation Act already issued a written notice before the date on which the provisions of this Chapter are brought into

(b) the Municipal Commissioner issues under the said section 354 of the Corporation Act a written notice within nine months from the date on which the provisions of this Chapter are brought into force in the area in which such building is situated requiring the owner or occupier thereof to pull down the building, with a view to preventing all cause of danger therefrom, and such notice is not complied with (except for reasons beyond his control) before the date specified in such notice,

the Board may, notwithstanding anything contained in sub-section (1), move the State Government to acquire the property under this Chapter immediately and take necessary further steps for demolishing the building, clearing the site and constructing a new building on the same site. The provisions of this Chapter shall apply *mutatis mutandis* to the acquisition, reconstruction and rehabilitation of occupiers of such building as they apply to any other building except that the occupiers of such building shall as far as practicable, be accommodated in the reconstructed building or any other building maintained by the Authority, subject to such terms and conditions as the Board may, with the previous sanction of the Authority, specify.

93. Clearance and compulsory acquisition.— (1) Notwithstanding anything contained in the Corporation Act, if on receipt of an acquisition proposal under section 92, the State Government is satisfied about the reasonableness of the proposal and of the resources available with the Board for constructing a new building, it may approve the proposal and communicate its approval to the Board.

(2) On receipt of the Government approval, the Board shall forward the acquisition proposal to the Land Acquisition Officer for initiating land acquisition proceedings.

(3) On receipt of the acquisition proposal from the Board, the Land Acquisition Officer shall publish simultaneously in the *Official Gazette*, and in at least four newspaper circulating within ¹[Brihan Mumbai] a notice stating the fact of such proposal having been made by the Board and approved by the Government and alternative accommodation proposed to be provided to the occupiers affected by the proposal and the time before which the building must be vacated.
