## STATEMENT OF OBJECTS AND REASONS

Rules and regulations framed under various labour laws provide for maintenance of registers in prescribed formats and periodical submission of returns in prescribed forms. There has been persistent demands from small business and industrial establishments for the simplification and reduction in the number of forms and registers required to be maintained/submitted by small establishments. A Working Group appointed for the purpose had suggested undertaking of legislation as well as other appropriate measures for simplification and reduction in the number of forms and registers required, to be maintained by small establishments. In the light of the recommendations of the Working Group, the matter was considered further at various fora and Government has considered it desirable that establishments employing smaller number of persons should be exempted to a limited extent, from maintaining registers in the prescribed form and from submitting the various returns under certain existing labour laws.

2. A small establishment has been defined in the Bill as an establishment in which not less than ten and not more than nineteen persons are employed or were employed on any day of the preceding twelve months. A very small establishment has been defined as an establishment in which not more than nine persons are employed or were employed on any day of the preceding twelve months.

3. Small establishments will be required to maintain only three muster registers and will be required to submit only one core return in lieu of the existing returns prescribed under the various labour laws. Similarly, very small establishments would be allowed to combine the three muster registers into a single register. Further, they would be required to submit only one annual core return in lieu of the existing return prescribed under the various labour laws. The forms of the register and returns have been prescribed in the Bill itself.

4. However, in view of the special requirements of social security legislation such as, recovery of contribution from employers and employees, their accountability, reimbursement, etc., no exemption has been given in relation to social security legislation. The enactments from which exemption is sought to be given have been mentioned in the Schedule to the Bill.

5. The Bill seeks to achieve the above objects.
