STATEMENT OF OBJECTS AND REASONS

There is a need for legally and structurally equipped 'Fire and Emergency Services' in the State of Uttar Pradesh which is trained and equipped for fire prevention, life safety, rescue work and other emergencies such as flood, earthquake, building collapse, nuclear and biological hazards, *etc.*

In order to fulfil the aforesaid objectives, the Model Fire Service Bill, 1958 and the amended Model Fire and Emergency Bill, 2019 were circulated by the Government of India for adoption by the State Governments in order to bring uniformity in Fire Service Acts all over India.

Due to increasing industrial development, urbanization, disasters and possible fire accidents in the future, the U.P. Fire Service Act, 1944 (U.P. Act no. 3 of 1944) and the Uttar Pradesh Fire Prevention and Fire Safety Act, 2005 (U.P. Act no. 5 of 2005) were not able to meet the upcoming and future requirements. Also, due to Fire Safety Certificate not being an integral part of the aforesaid Acts, it was not possible to compulsorily implement fire safety system in buildings and premises.

In view of the above, it was decided to adopt the Model Fire and Emergency Bill, 2019 circulated by the Government of India by the State of Uttar Pradesh.

Since the State Legislature was not in session and immediate legislative action was necessary to implement the aforesaid decision, the Uttar Pradesh Fire and Emergency Services Ordinance, 2022 was promulgated by the Governor on 28th November, 2022.

This Bill is introduced to replace the aforesaid Ordinance.

By order,
ATUL SRIVASTAVA,
Pramukh Sachiv.
