1. Subs. by Act 48 of 1983, s. 6, for “(*See section 40*)” (w.e.f. 30-12-1983).

STATEMENT OF OBJECTS AND REASONS

In order to provide medium and long-term credit to industrial undertakings, which falls outside the normal activities of commercial banks, a Central Industrial Finance Corporation was set up under the Industrial Finance Corporation Act, 1948 (XV of 1948). The State Governments wish that similar Corporations should also be set up in the States to supplement the work of the Industrial Finance Corporation. The intention is that the State Corporations will confine their activities to financing medium and small scale industries and will, as far as possible, consider only such cases as are outside the scope of the Industrial Finance Corporation. The State Governments also consider that the State Corporations should be established under a special Statute in order to make it possible to incorporate in the constitution necessary provisions in regard to majority control by Government, guarantee by the State Government in regard to the repayment of principal, and payment of a minimum rate of dividend on the shares restriction on distribution of profits and special powers for the enforcement of its claims and recovery of dues. Since the incorporation, regulation and winding up of such corporations fall within the purview of Parliament-*vide* Entry No. 43 of the Union List the State Governments have requested the Government of India to enact the necessary enabling legislation, which is sought to be effected by this Bill.

2. The main features of the Bill are as follows:—

- (i) The Bill provides that the State Government may, by notification in the Official Gazette, establish a Financial Corporation for the State.
- (ii) The share capital shall be fixed by the State Government but shall not exceed Rs. 2 crores. The issue of the shares to the public will be limited to 25 per cent. of the share capital and the rest will be held by the State Government, the Reserve banks, scheduled banks, insurance companies, investment trusts, co-operative banks and other financial capital institutions.
- (iii) Shares of the Corporation will be guaranteed by the State Government as to the repayment of principal and the payment of a minimum dividend to be prescribed in consultation with the Central Government.
- (iv) The Corporation will be authorised to issue bonds and debentures for amounts which together with the contingent liabilities of the Corporation shall not exceed five times the amount of the paid-up share capital and the reserve fund of the Corporation. These bonds and debentures will be guaranteed as to the repayment of the principal and the payment of interest at such rate as may be fixed by the State Government.
- (v) The Corporation may accept deposits from the public repayable after not less than five years, subject to the maximum not exceeding the paid-up capital.
- (vi) The Corporation will be managed by a Board consisting of a majority of Directors nominated by the State Government, the Reserve Bank and the Industrial Finance Corporation of India.
- (vii) The Corporation will be authorized to make long-term loans to industrial concerns and to guarantee loans raised by industrial concerns which are repayable within a period not exceeding 25 years. The Corporation will be further authorized to underwrite the issue of stocks, shares, bonds or debentures by industrial concerns, subject to the provision that the Corporation will be required to dispose of any shares, etc., acquired by it in fulfilment of its underwriting liability within a period of 7 years.
- (viii) Until a reserve fund is created equal to the paid-up share capital of the Corporation, and until the State Government has been repaid all amounts paid by them, if any, in fulfilment of the guarantee liability, the rate of dividend shall not exceed the rate guaranteed by the State Government. Under no circumstances shall the dividend exceed 5 per cent. per annum and surplus profits will be payable to the State Government.
- (ix) The Corporation will have special privileges in the matter of enforcement of its claims against borrowers.
