(3) ¹¹[The Chief Secretary of Goa] shall be the President of the Public Health Board and the Director of Health Services shall be its Secretary.

4. Functions of the Public Health Board.— (1) The Public Health Board shall advise the Government on such matters as the Government may, from time to time, refer to it.

(2) The meetings of the Board and the mode of transaction of meetings shall be governed by such regulations as may be framed by it.

(3) The proceedings of the Board shall not be invalidated by reason of any vacancy in the office of the President, the Secretary or a member.

5. Powers of Government and of Director of Health Services.— (1) The Government shall have power to inspect, control and superintend the operation of local authorities under this Act.

(2) The Government may, from time to time, define the powers to be exercised and the duties to be performed, by the Director or any member of his staff for the purposes of sub-section (1).

(3) Nothing contained in sub-sections (1) and (2) shall be deemed to affect, or derogate from any powers possessed by the Government or the Collector under any other law for the time being in force.

6. Power of Government to direct performance by Government of any function devolving on Local authorities.— The Government may, by notification, direct that in respect of any function to be performed by a local authority under this Act and specified in the notification, the Government, and not the local authority, shall be the local authority in all or any areas which are comprised within the jurisdiction of such a local authority.

7. Powers of Director to recommend measures for improvement of Public Health.— The Director may, from time to time as occasion requires, recommend for adoption, by any local authority, such measures as may be necessary for improving the public health administration in the local area, or for safeguarding the public health therein:

Provided that, if on account of financial or other reasons any local authority is unable to carry out such measures and requests the Government to carry out such measures, the Government, after satisfying itself about the genuineness of the said difficulties, shall carry out the said measures.

8. Appointment of Health Officer.— The Government shall appoint, for each local area a Health Officer with such qualifications as may be prescribed, for the purposes of this Act.

9. Appointment of temporary Health Officers in emergency.— (1) In the event of the prevalence or threatened outbreak of any infectious disease in any area, or of any unusual mortality therein, the Government may by order, appoint temporarily, for such period as may be specified therein, one or more additional Health Officers, for the treatment of such infectious disease and preventing it from spreading, or for investigating

the cause of, and preventing such mortality, as the case may be.

(2) For the purpose of sub-section (1) the Government may appoint any medical practitioner registered under the Indian Medical Council Act, 1956 (Central Act 102 of 1956), either on an honorary basis or on such salary and allowances or both as the Government may fix.

10. Delegation of powers of Health Officer.— The Government may, by general or special order, authorise any officer of the Government or of a local authority, to exercise such of the powers of a Health Officer under this Act, in such area, and subject to such restrictions, limitations and conditions and to such control and revision, as may be specified in such order.

11. Appointment of persons to carry out the provisions of this Act.— Notwithstanding anything contained in this Act or in any other Act or Acts governing the local authority or authorities concerned, the Government may, by general or special order, appoint any person or persons to carry out such provisions of this Act and in such areas, as may be specified in the order.

12. Health Officer's control over public health staff.— (1) The Health Officer in-charge of any local area shall exercise supervision and control over all other members of the public health establishment of such area.

(2) (a) Save as otherwise provided in this Act or in any rules or regulations made under it, all appointments, transfers and punishments of the members of the public health establishment under the supervision and control of the Health Officer shall be made by the Health Officer, subject to the approval of the Director.

(b) If for any reason the local authority disagrees with the orders of the Health Officer under clause (a) the local authority shall refer the matter to the Director, whose decision shall be final.

13. Authorisation of Health Officer to perform the functions of local authority in public health matters.— The Health Officer shall perform such of the functions and discharge such of the duties of the local authority in regard to public health matters under any of the provisions applicable to such local authority subject to such appeal and control as the Government may, by general or special order, determine.

CHAPTER III

Water-Supply

14. Local authorities to provide potable water.— Wherever a local authority has made a provision for supply of drinking water for consumption by the inhabitants of the area within its jurisdiction, it shall ensure,—

(a) that as far as possible, the water-supply is continuous throughout the year; and

(b) that the water supplied is at all times wholesome and fit for human consumption.

15. Power of Government to direct local authority to execute water works.— (1) If in the opinion of the Government, a local area does not possess a sufficient supply of

wholesome water fit for the consumption of its inhabitants, they may direct the local authority concerned, either singly or in combination with the local authorities of areas in the neighbourhood which are similarly situated to execute within such time as the Government may fix, such works as may be directed by the Government for providing a sufficient supply of wholesome water fit for human consumption:

Provided that, if on account of financial or other reasons, any local authority is unable to execute such works and requests the Government to execute such works, the Government, after satisfying itself about the genuineness of the said difficulties, shall execute the said works.

(2) A local authority may, with the previous sanction of the Government—

(a) construct, lay or erect filters, reservoirs, engines, conduits, pipes or other works outside the limits of its local area for supplying water within its area;

(b) purchase or take on lease any waterwork, or any right to store or to take, convey water, either within or without the limits of its local area; and

(c) contract with any local authority or other person or agency for the supply of water.

(3) A local authority may, with the previous sanction of the Government, by public notice, declare any lake, stream, spring, well, tank, reservoir, pond, or other source of water-supply whether within or without the limits of its local area (other than a source under the control of the Government) from which water is or may be made available for the use of the public and every such source shall thereafter be under the control of the local authority, only to the extent necessary for such purposes.

16. Power of Government to divert water from water-main belonging to a local authority.— The Government shall have power to take water from any water-main belonging to or in the control of, a local authority for supply of water to any other area, subject to such payment being made to the local authority concerned and subject also to such other conditions as the Government may consider reasonable;

Provided that before taking action under this section, the Government shall communicate to the local authority the grounds on which they propose to do so, fix a reasonable period for the local authority to show cause against the proposal, and consider its explanation or objections, if any.

17. Power of Collector in regard to water-supply.— (1) The Collector or any other officer appointed by the Government in this behalf, may cause inquiries to be made in any local area or part thereof, with a view to ascertaining —

(a) whether the source of water-supply for such local area or part is contaminated from any cause against which effective means or protection can be taken; and

(b) whether the provision of any additional source or sources of water-supply is necessary for such local area or part thereof.

(2) The Collector or other officer aforesaid may after taking into consideration the result of such inquiries, by notice, direct that any source of water-supply be cleaned, improved, repaired or otherwise protection from contamination, or that such additional source or sources of water-supply be provided, as the case may be:

Provided that before issuing a notice under this sub-section, the Collector or other

officer aforesaid shall give the authorities or persons interested a reasonable opportunity to make any representations they may wish to make and consider the same.

(3) Against any direction issued by the Collector or other officer under sub-section (2) an appeal shall lie to the prescribed authority whose decision shall be final.

(4) (a) Every notice issued under sub-section (2) shall specify the nature and extent of the works to be executed, the estimated cost thereof, and the authority or authorities or the person or persons by whom and the period within which, they are to be executed.

(b) The notice shall,—

(i) be published in the prescribed manner; and

(ii) be served on the local authority or on the persons owning or having control over the source of water-supply, as the case may be, in the prescribed manner.

(5) If directions contained in the notice issued under sub-section (2) have not been satisfactorily complied with, the officer issuing the notice may himself cause the works specified in the notice to be executed, provided that he may, on sufficient cause being shown, extend the period specified in the notice, or modify or rescind any direction contained therein.

18. Power of Director to direct local authority to improve water-supply.— If the Director is satisfied upon investigation that any source of public water-supply in local area is contaminated or is subject to imminent risk of contamination by reason of unsatisfactory location, protection, construction, operation or maintenance, and speedy remedy or immediate prevention is, in his opinion, desirable, he may, by order, direct the person in-charge to take such measures as may be specified therein; and such person shall take action accordingly.

19. Railway administration to submit samples of drinking water for analysis.— In the case of any railway in the territory the Government may, by general or special order, require the authority administering the railway to submit for analysis, to such person or institution, in such manner, and at such intervals, as may be prescribed, samples of drinking water supplied by such authority at any station or stations on such railway. For such analysis, the authority aforesaid shall pay to the Government, such fee as may be prescribed.

20. Rules for protection and periodical examination of water-supply.— The Government shall have power to make rules providing for the protection and periodical examination of sources of water-supply in the Union territory of Goa, Daman and Diu.

21. Health Officer's powers in regard to insanitary sources.— (1) The Health Officer may, at any time, by written notice require that the owner of or any person having control over, any lake, stream, spring, well, tank, reservoir, pond or other source of water-supply which is used for drinking, bathing or washing clothes shall, whether the same is private property or not, within a reasonable time to be specified in the notice, or in any case falling under clause (d) within such time as may be specified in the notice not being less than thirty days from the receipt thereof—

(a) keep and maintain any such source of supply in such manner as the Health Officer may direct; or

(b) cleanse any such source of water-supply from silt, refuse and vegetation; or

(c) protect any such source of water-supply from pollution by surface drainage or otherwise, in such manner as the Health Officer may direct; or

(d) fill in, repair, protect or enclose in such manner as the Health Officer may direct, any such source of water-supply, if for want of sufficient repair, protection or enclosure, such source of water-supply is, in his opinion, dangerous to the health or safety of the public or of any persons having occasion to use or to pass or approach the same; or

(e) desist from using, and from permitting others to use for drinking purposes any such source of water-supply if, in the opinion of the Health Officer, the water is unfit for drinking; or

(f) close any such source of water-supply, either temporarily or permanently, or fill up, enclose or fence the same in such manner as the Health Officer considers sufficient to prevent the use thereof for drinking purposes, if, in his opinion, the water is unfit for drinking; or

(g) drain off or otherwise, remove from any such source of water-supply or from any land or premises or receptacle or reservoir attached or adjacent thereto, any stagnant water which the Health Officer considers to be injurious to health or offensive to the neighbourhood:

Provided that the provisions of clause (a) and (b) shall not apply to a stream:

Provided further that a notice shall not be issued under clause (f) unless a notice has first been issued under clause (e) and the source of water-supply in question continues to be used for drinking purposes notwithstanding the issue of such notice, and the Health Officer considers that such use cannot be prevented otherwise than by the issue of a notice under clause (f).

(2) If the owner or person having control as aforesaid fails or neglects to comply with any notice issued under sub-section (1) within the time specified therein the Health Officer may, if immediate action is necessary to protect the health or safety of any person or persons, at once proceed to execute the work specified in such notice; and all the expenses incurred in respect thereof by the Health Officer shall be paid by the owner of, or person having control over such source of water-supply and shall be recoverable as if it were a tax due to the local authority concerned:

Provided that in the case of any private source the water of which is used by the public or by any section of the public as of right, the expenses which have been incurred by the Health Officer or have been necessarily incurred by the owner of or person having control over the source of water-supply shall be paid from the funds of such authority as the Government, by order, determine.

¹²[**22. Building not to be occupied without adequate water supply and proper water storage facility.**— (1) No owner of any building having more than one independent residential unit, which may be constructed or re-constructed after the commencement of the Third Amendment Act, 1993 shall occupy it, or cause or permit it to be occupied until he has obtained a certificate from the Health Officer,—

(i) that there is within such building or within reasonable distance therefrom, a supply of wholesome water sufficient for the domestic purpose of the inmates of such building, and

(ii) if such building has a sump or overhead tank, that they are provided with such mosquitoproof arrangement as may be prescribed.

(2) The Health Officer may also by notice in writing, direct the owner or occupier of any existing building having a sump or overhead tank to provide such mosquito proof arrangement and within such time as may be specified by the Health Officer.

(3) Whenever a person on whom notice is served under sub-section (2), fails to comply with the requirements thereof, the Health Officer, may himself or through the local bodies get the requisite work done and recover the cost thereof from the owner as arrears of land revenue under the law for the time being in force.]

CHAPTER IV

Drainage

23. Local authority to maintain public drains.— (1) Every urban local authority shall, so far as the funds at its disposal may permit, provide and maintain a sufficient and satisfactory system of public drains for the effectual drainage of its local area.

(2) If, in the opinion of the Government, any local area or part thereof should, for any special reason, be provided with a system of public drain or with any other means of drainage, they may direct the local authority concerned to provide or execute within such time as may be fixed in this behalf, such works as may be considered necessary.

(3) The local authority shall at all times keep in good repair all drains, cesspools and the like vested in or belonging to it.

24. Power of Health Officer to require drains to be constructed.— (1) If any premises are, in the opinion of the Health Officer, without sufficient means of effectual drainage, he may, by notice direct the owner of such premises to construct a drain leading therefrom to the nearest public drain or other place set apart by the local authority for the discharge of sewage:

Provided that if in the opinion of the Health Officer, there is no public drain or other place set apart for the discharge of sewage within a reasonable distance of such premises, he may, by notice, require the owner of the premises to construct —

(i) a closed cesspool, septic-tank, filter or other work of such material, size and description, as he may direct; and

(ii) a house-drain communicating with such closed cesspool, septic-tank, filter or other work.

(2) Where by reason of a local authority changing its system of drainage or undertaking a new system of drainage, it becomes necessary for the owner of any premises to reconstruct or alter any drain the cost of the reconstruction or alteration of such drain shall be borne wholly by the local authority, or wholly by the owner, or partly by the local authority and partly by the owner, in accordance with such rules as may be prescribed.

25. Drains in private streets.— Where a house-drain belonging to one or more premises has been laid in any private street which is common to more than one premises and the Health Officer considers it desirable that any other premises should be drained into such drain, he may, by notice, require the owner of such premises to connect his house-drain with such first-mentioned drain; and the owner or owners of such first-mentioned drain shall thereupon be bound to permit such connection to be made:

Provided that no such connection shall be made—

(a) except upon such terms as may be mutually agreed upon between or among the owners concerned, or

(b) in default of such agreement, except upon such terms as may be laid down by the local authority and in particular, until any payment which may be directed by the local authority to be made to the owner or owners concerned has been duly made.

26. Drainage for huts.— (1) Drains for the drainage of huts shall be of such size and description, and be constructed of such material as may be considered by the Health Officer to be practicable, having regard to the circumstances of the locality and the position of the nearest public drain or other place set apart by the local authority for the discharge of sewage.

(2) If the Health Officer considers that a new drain should be constructed for the benefit of the occupants of any hut, he may, by notice, require the owner of the land on which such hut stands, to construct such drain and such owner shall construct such drain, and cause it to be cleansed and repaired to the satisfaction of the Health Officer.

27. Drainage of court-yard, alley, passage, etc.— For the purpose of efficiently draining any land or building, the Health Officer may, by notice, require the owner of any court-yard, alley, lane, passage or open space—

(a) to raise or pave the same with such material and in such manner as may be approved by the Health Officer and to keep such paving in proper repair; or

(b) to raise the level of such court-yard, alley, lane, passage or open space.

Explanation:— It shall be open to the Health Officer to require that in any case both the measures specified in clauses (a) and (b) shall be taken.

28. Construction and closure of cesspools.— (1) No person shall construct a cesspool—

(a) beneath any part of any building or within such distance of any tank, reservoir, water-course or well or within such other distance therefrom as the Health Officer may consider to be practicable having regard to the circumstances of the locality; or

(b) within any local area or outside such area but within three hundred feet of any reservoir used for the storage of filtered water to be supplied to such area, except upon a site and in a position which have been approved in writing by the Health Officer.

(2) The Health Officer may, at any time, by notice, require any person within whose premises any cesspool is constructed in contravention of sub-section (1) to remove such cesspool or to fill it up with such material as may be approved by him.

¹³**29. Establishment of commercial, industrial and other establishments and constructions.**— (1) ¹⁴{No person, including Government Department, semi-Government Organization, Government company and statutory or non-statutory Corporation} shall construct any building, house, cesspool and any other structure unless prior permission to that effect is obtained from the Health Officer or the Medical Officer incharge of the respective Health Centre, at the time of starting such construction and also at the time of actually occupying such constructed premises.

(2) No commercial or industrial establishments, warehouses, storehouses, factories, workshops,¹⁵[massage parlour/SPAS ¹⁶[] or any other like service] or any other establishments of any kind, shall be established, without obtaining the prior permission from the Director.

(3) All such permissions issued shall be subject to the payment of such fees as may be notified by the Government from time to time.]

¹⁷**[29A. Inspection of Massage Parlour/Spa.** — (1) The Health Officer or any Officer not below the rank of Deputy Superintendent of Police as may be authorized by the Government, shall, from time to time, inspect the massage parlour/spa or any establishment or premises wherein massage parlour/spa is being run and also the registers that are required to be maintained by them under this Act. The person in-charge of massage parlour/spa shall, at all time, allow such officer to carry out such inspection. If upon inspection, the massage parlour/spa is found being run in contravention of the provisions of this Act or the rules framed thereunder, such Officer shall immediately inform about such contravention to the Collector, who shall immediately take all the steps for closure of massage parlour/spa and send all the details thereof to the Director who shall after affording reasonable opportunity of being heard pass such order as he may deem fit in the matter.

(2) No officer referred to in sub-section (1) shall enter any room or area of the massage parlour/spa where the massage is being carried out without prior notice.

29B. Penalty for non-registration. — A massage parlour/spa running without registering shall be liable to a fine of Rs. 20,000/- (Rupees twenty thousand only) or any amount as notified by the Government from time to time.

29C. Registration of masseur/therapists.— (1) No massage parlour/spa shall employ a masseur/therapist, unless he/she holds a certificate of registration issued under sub-section (2), and a medical fitness certificate issued by the Government Hospital.

(2) Every person who desires to work as a masseur/therapist in a massage parlour/spa shall apply to such officer, in such form and accompanied with such fee, as may be prescribed, for grant of a certificate of registration.

(3) The officer, on receipt of an application under sub-section (2), shall, after conducting such inquiry as he deems fit, within a period of thirty days from the date of receipt of such application, either grant or refuse to grant a certificate of registration. Every order of refusal to grant certificate of registration shall be in writing. In case of refusal to grant such certificate, the applicant may file an appeal to the Director.

(4) The certificate of registration to be granted under sub-section (3) shall be in the prescribed form and shall be valid for a period of two years from the date of its issue and renewable for the same period thereafter. Before expiry of such certificate, the masseur/therapist shall get his certificate of registration renewed on payment of such fee as may be prescribed.

(5) Every officer referred to in sub-section (2) shall maintain a register of registered masseurs/therapists.

(6) If any masseur/therapist is found working in any massage parlour/spa without a valid certificate of registration, he shall be liable to a fine of Rs. 5,000/- (Rupees five thousand only) or any amount as notified by the Government from time to time, and the owner of such massage parlour/spa also shall be liable to a fine of Rs. 10,000/- (Rupees ten thousand only) or any amount as notified by the Government from time to time.].

30. Sullage or sewage not to be let out into street.— No person having control over any building or land shall cause or allow —

(a) the water of any sink, sewer, ¹⁸[latrine] or other sanitary convenience, or any

other liquid or other matter which is, or is likely to become offensive to run into a drain, or to be thrown or put upon, any street or open space or to soak through any external wall; or

(b) any offensive matter from any sewer, ¹⁹[latrine] or sanitary convenience, to run, drain or be thrown into a surface drain in any street.

31. Injurious refuse not to be discharged into public drain.— No person shall, save as may be generally or specially prescribed, throw, empty, or turn, or suffer or permit to be thrown, emptied or turned or to pass, into any public drain, or into any drain communicating with a public drain —

(a) any matter likely to injure the drain or to interfere with the free flow of its contents, or to affect prejudicially the treatment and disposal of such contents; or

(b) any liquid being refuse or steam or other liquid which is, either alone or in combination with the contents of the drain, dangerous, or the cause of a nuisance or prejudicial to health; or

(c) any explosive or inflammable substance.

32. Pollution of water prohibited.— No person shall save as may be generally or specially prescribed—

(1) put, or cause to be put or cause to fall or flow or be carried or knowingly permit to be put or to fall or flow or be carried, into any water-course, lake, tanks, sea-water within five kilometers from the shore—

(a) any solid or liquid sewage matter, or

(b) any poisonous, noxious or polluting liquid proceeding from any manufactory or manufacturing process, or

(2) put, or cause to be put, or cause to fall or be carried or knowingly permit to be put or to fall or be carried, into any water-course, so as, either singly or in combination with other similar acts of the same or any other persons, to interfere with the due flow of such water-course, or to pollute the water therein, the solid refuse of any manufactory, manufacturing process or quarry, or any rubbish or cinders, or any other waste or putrid solid matter, or

(3) commit nuisance in or in the neighborhood of any water-course.

CHAPTER V

Sanitary Convenience

33. Obligation of local authority to provide public sanitary conveniences.— Every local authority shall provide and maintain in proper and convenient places a sufficient number of sanitary conveniences for the use of the public and cause all such places to be kept in proper order so as not to be a nuisance or injurious to health.

34. New houses to be provided with sanitary conveniences.— If in any local area any building intended for human habitation is constructed or is reconstructed after being pulled down to or below the ground floor, the owner thereof shall provide such sanitary conveniences and in such positions as the Health Officer may, by notice, require.

35. Additional sanitary conveniences.— If any building intended for human habitation is without any sanitary convenience or if, in the opinion of the Health Officer, the sanitary convenience or convenience provided therein are insufficient, having regard

to the number of persons occupying the building or are inefficient, or are objectionable on sanitary grounds, he may, by notice in writing require the ²⁰[owner or occupier] of such building —

(a) to provide such sanitary conveniences or such additional sanitary conveniences and in such positions, as may be specified in the notice, or

(b) to make such structural or other alterations as may be specified in the notice.

36. Mode of construction of latrines.— (1) All latrines shall—

(a) be so constructed as to screen persons using the same and the filth from the view of persons passing by or residing in the neighbourhood; and

(b) be maintained, repaired, altered and used in accordance with the rules and bye-laws made under this Act.

(2) If any latrine opening on any street, whether such latrine be erected before or after the commencement of this Act, is so placed or constructed as to be nuisance or offensive to public decency, the Health Officer may, by notice in writing require the owner to remove it or to carry out such improvement therein and within such time as may be specified in the notice.

(3) When any latrine is used in common by the occupiers of two or more premises or by the members of two or more families, no person shall injure or improperly foul any such latrine or anything used in connection therewith.

CHAPTER VI

Abatement of nuisances

37. Certain things to be nuisances.— Without prejudice to the generality of the definition of the expression “nuisance” contained in clause (22) of section 2, the following shall be deemed specifically to be nuisances for the purposes of this Chapter —

(1) any premises in such a state as to be prejudicial to health;

(2) any pond, pool, ditch, gutter, water-course, water-trough, latrine, cesspool, drain or ashpit which is so foul or in such a state as to be prejudicial to health;

(3) any animal kept in such a place or manner as to be prejudicial to health;

(4) any accumulation or deposit of refuse or other matter which is prejudicial to health;

(5) any factory, workshop or workplace, which is not provided with sufficient means of ventilation or in which sufficient ventilation is not maintained, or which is not kept clean or not kept free from noxious effluvia, or which is so overcrowded while work is carried on as to be prejudicial to the health of those employed therein;

(6) any fireplace or furnace which does not as practicable consume the smoke arising from the combustible used therein, and which is used for working engines by steam, or in any mill, factory, dyehouse, brewery, bakehouse or gaswork, or in any manufacturing or trade process whatsoever;

(7) any chimney sending forth smoke in such quantity as to be a nuisance; ²¹[and]

(8) any noise, vibration, dust, cinders, irritating smell, noxious vapours or offensive odour produced by a factory, workshop or workplace or an installation and which is a nuisance to the neighbourhood ; ²²[and]

²³[(9) any human habitation without adequate sanitary convenience or without access to sanitary convenience within the premises of the habitation rendering such place in such a state as to be prejudicial to health.]

38. Detection of nuisance.— Every local authority shall,—

(a) cause its local area to be inspected from time to time with a view to ascertain what nuisance exist therein calling for abatement under the powers conferred on such authority by this Act, and

(b) enforce the provisions of this Act in order to abate such nuisances.

39. Information regarding nuisance.— Any person aggrieved by a nuisance in any local area may give information of the same to the Health Officer or any other officer of the local authority.

²⁴[**40. Power of Health Officer to abate nuisance.**— (1) If the Health Officer is satisfied, whether upon information received under section 39 or otherwise, of the existence of a nuisance, he shall be duty bound to issue a notice, within a period of seven days from the date of receipt of such information or date of knowledge of the existence of such nuisance, as the case may be, requiring the person who is responsible for such nuisance or by whose act, default or sufferance or thing the nuisance arises or continues, and/or if that person cannot be found, the owner or occupier of the premises in respect of which the nuisance arises or continues, to abate the nuisance and to execute such works and take such steps as may be necessary for that purpose, within a period as may be fixed in the notice, not exceeding sixty days in any case.

Provided that, the Health Officer, for reasons to be recorded in writing, and upon the application in writing by such person to whom such notice is issued, may extend the period specified in such notice, by a further period of fifteen days, in the facts and circumstances of the case.

(2) The officer-in-charge of the police station of the area concerned shall be duty bound and responsible, when called upon by the concerned Health Officer or such other officer as authorised by the Directorate of Health Services, to provide necessary police protection for removal and/or to ensure removal of such nuisance and shall also provide all possible assistance for removal of such nuisance. The officer-in-charge of the police station, shall be answerable and responsible for non-compliance of the requisition made by the Health Officer or by such other person as specified in this sub-section.

(3) The directions as contained in the notice under sub-section (1) shall have effect, notwithstanding anything contained in any other law for the time being in force or any custom or usage or decree or order of a Court, or any agreement or contract, express or implied, as far as they are not inconsistent with the provisions of this section.

(4) The issuance of the notice under sub-section (1) to a person, as an occupier of any premises, shall not create any legal right, title or interest in such person, in respect of such premises, if such person is not the owner of such premises as the notice issued is only for creating the liability of abatement of nuisance or execution of any work or to take such steps as may be directed under sub-section (1).

²⁵[(4-A) Notwithstanding anything contained in sub-section (5), if any person, whether owner or occupier of any premises, to whom a notice is issued by the Health Officer under sub-section (1), fails to comply with the directions given therein within the specified period or within the extended period, as the case may be, and the nuisance is caused ²⁶[due to improper drainage, overflowing of septic tank or lack of provision for adequate sanitary convenience, etc.,] the owner or occupier of the premises shall be liable to pay a fine of rupees five hundred per day till such time the nuisance is abated or the occurrence thereof is stopped.]

(5) If any person, owner or occupier of any premises, to whom a notice is issued by the Health Officer under sub-section (1), fails to comply with the directions given therein, within the specified period or within the extended period, as the case may be, the Health Officer shall himself execute any work or take such steps, which he may consider necessary, to abate the nuisance and to prevent the recurrence thereof:

Provided that, any expenses incurred or loss suffered on account of execution of any work or steps taken by the Health Officer, for abatement of nuisance under this sub-section, shall be recovered from the person to whom the notice under sub-section (1) was issued, as arrears of land revenue.

²⁷[Provided further that the Health Officer, after giving due notice to the defaulter, may request the Electricity Department or the Public Works Department, as the case may be, to disconnect the electricity or water supply to the premises or place in respect of which the nuisance arose or continues and the Electricity Department or the Public Works Department to whom such request is made shall forthwith disconnect said supply and such disconnection shall continue till the nuisance is removed to the entire satisfaction of the Health Officer].

(6) The failure to comply with the directions contained in the notice issued under sub-section (1) shall be cognizable offence, punishable with: ²⁸[fine which may extend to Rs. 25,000/-]

Provided that the said offence may be compounded by the Health Officer, if the offender agrees to pay a fine of Rs. 3,500/-.

(7) In case of any nuisance arising in respect of the premises belonging to the Government, the officer-in-charge of the said premises or Head of office, as the case may be, shall be liable personally to be issued a notice under sub-section (1) as also for the penalty specified in sub-section (6):

Provided that if the Health Officer himself is the officer-in-charge of such premises or Head of office, the provisions of sub-section (1) shall not be applicable to him although he shall be duty bound and liable to abate the nuisance within a period of eight days from the date of knowledge of the existence of nuisance.

(8) If the Health Officer, after receiving the information of any nuisance, either under section 39 or upon his own knowledge, intentionally or deliberately, fails or neglects, to take any action as provided for, in sub-section (1), (5) or (7) as the case may be, within the period specified thereto, he shall be liable for payment of fine at the rate of at least Rs. 50/- per day and which may extend to Rs. 5000/-, upon conviction by the Judicial Magistrate First Class, after a complaint at that regard is filed by any person aggrieved by a nuisance.]

41. Power of local authority to abate nuisance.— If the person on whom a notice to abate a nuisance has been served under section 40 makes default in complying with any of its requirements within the time specified therein or if the nuisance although abated

within such time is, in the opinion of the local authority, likely to recur on the same premises, the local authority may arrange for the execution of any works necessary to abate the nuisance or to prevent its recurrence, as the case may be, and may recover the cost from such persons as if it were a tax due to the local authority.

42. Provision regarding house rendered unfit for occupation by reason of nuisance.— Where a house or other building, is in the opinion of the Health Officer, unfit for human habitation by reason of a nuisance existing therein, he may apply to a Magistrate to prohibit the use of such house or building for human habitation until it is rendered fit therefor.

43. Disposal of articles removed while abating nuisance.— (1) The Health Officer may sell any material which have been removed by him from any premises when executing works under this Chapter or otherwise carrying into effect the provisions thereof, if such materials are not claimed and taken away by the owner before the expiration of seven days from the date on which they were removed by the local authority.

(2) A Health Officer selling any materials under sub-section (1), shall pay the sale-proceeds to the person to whom the materials belonged after deducting therefrom the amount of any expenses recoverable from him by such authority.

(3) The provisions of this section shall not apply to any offensive matter removed by a local authority under the Act governing such authority.

44. Powers of entry and inspection.— Any Officer of the Public Health Department of the Government not below the rank of Health or Sanitary Inspector, may enter and inspect any premises for the purpose of enforcing any of the provisions contained in this Chapter:

Provided that—

(a) no such entry shall be made between sunset and sunrise except when a nuisance is caused by anything done or omitted to be done in the premises between sunset and sunrise;

(b) no dwelling house shall be so entered without the consent of the occupier thereof, and unless he has been served at least twenty-four hours previous notice of the intention to make such entry;

(c) sufficient notice shall in every case be given to enable the inmates of any apartment appropriated to women to withdraw to some part of the premises where their privacy may be preserved; and

(d) due regard shall be paid, so far as may be compatible with the exigencies of the purpose of the entry to the social and religious usages of the persons residing in the premises.

45. Nuisance caused by act or omission outside local area.— If a nuisance under this Act within, or affecting any part of a local area, appears to be wholly or partly caused by some act or default committed or taking place outside such local area, the Health Officer may take or cause to be taken against any person in respect of such act or default any proceedings in relation to nuisances, authorised by this Act in the like cases and with the like incidents and consequences as if the act or default were committed or took place wholly within such local area.

46. Prohibition of the deposit of rubbish, etc. in streets, etc.— (1) No person shall deposit or cause or suffer any member of his family or house hold to deposit any carcasses of animals, any dust, dirt, dung, ashes, or refuse or filth, earthenware or other rubbish, or any other thing which is or may be a nuisance in any a street, or in any arch under a street, or in any drain beside a street, or on any open space or on any quay, jetty or landing place of or any part of the sea-shore, or on the bank of any water-course, except in such receptacles as may be provided at such places, in such manner and at such hours, as may be fixed by the local authority.

(2) No person shall cause himself or cause, permit or suffer any member of his family or household to ease himself in any such street, arch, drain, open space, quay, jetty, landing place, sea-shore or bank aforesaid.

(3) Any person easing himself in any private open space shall immediately cover up the excreta with earth.

CHAPTER VII

Prevention, notification and treatment of diseases

47. Infectious diseases.— For the purposes of this part, ‘infectious diseases’ means (a) acute influenzal pneumonia, (b) anthrax, (c) cerebrespinal fever, (d) chickenpox, (e) cholera, (f) diphtheria, (g) entric fever, (h) leprosy, (i) plague, (j) rabies, (k) relapsing fever, ²⁹[(1)smallpox, (m) pulmonary tuberculosis, (n) syphilis, (o) gonorrhoea, (p) acquired imuno deficiency syndrome] and any other disease which the Government may from time to time, by notification, declare to be an infectious disease either generally throughout the Union territory or in such part or parts thereof as may be specified in the notification.

48. Appointment of additional health staff.— (1) In the event of the prevalence or threatened outbreak of any infectious disease in any local area, or of any unusual mortality therein, the local authority concerned shall provide such additional staff medicines, appliances, equipments and other things as may, in the opinion of the Health Officer, be necessary for the treatment of such infectious diseases and preventing it from spreading or for investigating the cause of such mortality and preventing it, as the case may be:

Provided that, if the local authority does not agree with the opinion of the Health Officer, the matter shall be referred to the Director whose decision shall be final.

(2) In the event aforesaid, if the Health Officer considers that immediate action is necessary in the interest of public health, he may, notwithstanding anything contained in sub-section (1), appoint such staff and obtain such medicines, appliances, equipments and other things as may be necessary; and the expenses incurred in respect thereof shall be met from the funds of the local authority.

(3) Every appointment made under sub-section (2) shall be reported forthwith to the local authority concerned.

49. Provisions and maintenance of isolation hospitals and wards.— (1) (a) The local authority may, and if so required by the Government shall provide or cause to be provided hospitals, wards or other places for the reception and treatment of persons suffering from infectious diseases.

(b) For the purpose of the reception and treatment of such persons a local authority may—

(i) itself build such hospitals, wards or places of reception, or

(ii) contract for the use of any existing hospital or part of such hospital or place of reception, or

(iii) enter into an agreement with any person having the management of any such hospital, for the reception and treatment therein of persons suffering from infectious diseases.

(c) For the purpose aforesaid, two or more local authorities may in combination provide a common hospital or place of reception.

(2) A local authority shall not be deemed to have discharged its obligation under sub-section (1) unless the hospitals, wards and places of reception in question are maintained in accordance with such general or special orders as may from time to time be issued by the Director.

50. Provision of ambulances, etc.— The Director, shall,—

(a) provide and maintain suitable conveyances, with sufficient attendants and other requisites, for free carriage of persons suffering from any infectious diseases; and

(b) provide proper places and apparatus and establishment, for the disinfection of conveyances, clothing, bedding or other articles which have been exposed to infection, and when any conveyances, clothing, bedding or articles are brought to any such place for disinfection may cause them, at its discretion, to be disinfected, either free of charge, or on payment of such fee as it may fix.

³⁰[**50-A— Restrictions to operate Ambulance van without permit.**— (1) Notwithstanding anything contained in section 50 of this Act, no person or occupier of Nursing Home, Clinic, Dispensaries, Pathological Laboratory, Blood Bank, Private Hospital, Health Care establishment including Veterinary Institution or any social, cultural or charitable organization or NGO shall provide or operate any ambulance van without obtaining any permit from the prescribed authority.

(2) Every owner or operator of an ambulance van shall make an application for grant of permit to operate an ambulance van in the State in such form and to such authority, as prescribed.

(3) Every application for grant of permit under sub-section (2) shall be accompanied by such fee and document as prescribed.

50-B— Grant of permit for operating an ambulance van.— (1) On receipt of an application under sub-section (2) of section 50-A, the prescribed authority shall, after satisfying the fulfillment of requirement and conditions as prescribed, either grant or refuse to grant a permit for operating the ambulance van within a period of fifteen days from the date of receipt of the application complete in all respects and prescribed fee thereof.

(2) If any deficiency is noticed in the application, the prescribed authority shall in writing require the applicant to rectify the same within a period of seven days thereof. If the applicant fails to rectify the deficiency within the specified period, the application shall be refused:

Provided that no order of refusal shall be made unless—

- (a) the applicant has been given a reasonable opportunity of being heard; and
- (b) the grounds on which the permission is refused are mentioned in the order.

50-C— Validity of permit.— (1) A permit granted to operate ambulance van to the applicant shall be valid for a period of five years subject to renewal and fulfillment of condition as prescribed.

(2) Every application for renewal of permit shall be made three months before expiry of period as specified in sub-section (1), accompanied by such renewal fee as prescribed.

(3) The prescribed authority shall renew the permit if the applicant has fulfilled the requirements as laid down under the rules.

(4) If the prescribed authority fails to pass any order within the specified period, the permit shall be deemed to be renewed for further period subject to terms and conditions as specified under the rules.

50-D— Power to detain ambulance van used without permit.— (1) Any police officer or any other officer duly authorized by the Director of Health Services in this behalf, may, if he has reasons to believe that an ambulance van has been or is being used in contravention of the provisions of section 50-A or in contravention of the condition of such permit or other purpose for which ambulance van not to be used, seize and detain the ambulance van in the prescribed manner and for this purpose, take and cause to be taken any steps he may consider necessary for the safe custody of the ambulance van:

Provided that where any such person has reasons to believe that the ambulance van has been or is being used in contravention of section 50-A, he may instead of attaching ambulance van, seize the permit of the ambulance van and issue an acknowledgement certificate in respect thereof.

(2) Where an ambulance van or permit has been seized and detained under sub-section (1), the owner or a person in charge of ambulance van may apply to the Director of Health Services, or any officer authorized in this behalf by the Government, with the relevant documents for the release of the ambulance van or permit and such authority or officer may, after verifications of such documents, by order, release ambulance van or permit, as the case may be, subject to such conditions as the authority or officer may deemed fit to impose.

50-E— Penalty for operating ambulance van without permit.— Whoever operates or causes or allows to operate an ambulance van in contravention of the provisions of section 50-A, shall be punishable with ³¹[fine which may extend to Rs. 25,000/-”]

³²**[51. Registered Medical practitioners to give information of certain infectious diseases.**— Every registered medical practitioner of any system of medicine including practitioner of dental surgery who in the course of his practice becomes cognizant or suspects the existence of any case of the diseases mentioned in section 47 in any private or public dwelling, hospitals (including nursing homes), shall report and furnish information of the same with the least practicable delay—

- (a) in a local area, to the local authority concerned; and

(b) in any other area, to the Health Officer or a health or Sanitary Inspector:

Provided that in the case of acquired imuno deficiency syndrome, the information shall necessarily be given to the Health Officer of the respective jurisdiction.”]

52. Prohibition of the use of water from suspected source.— (1) If it appears to the Health Officer that the water in any tank, well or other place, if used for drinking or any other domestic purpose, is liable to endanger or cause the spread of any infectious disease, he may, by public notice, prohibit the removal for use of the said water generally or for any specified domestic purpose and shall direct the local authority to provide alternate source of water within a reasonable distance.

(2) No person shall remove or use any water in respect of which any such notice, has been issued in contravention of the terms thereof.

53. Removal of infected person to hospital.— (1) If it appears to the Health Officer that any person is suffering from an infectious disease, and that such person —

(i) is without proper lodging or accommodation, or

(ii) is without medical supervision directed to the prevention of the spread of the disease, or

(iii) is lodging in a place occupied by more than one family; or

(iv) is in a place where his presence is a danger to the people in the neighborhood, and

³³[(v) should be removed to hospital or other place at which patients suffering from such disease are received for treatment, the Health Officer may remove such person or cause him to be removed to such hospital or place;]

³⁴[(vi) no person including a foreigner shall refuse collection of blood for investigation of acquired imuno deficiency syndrome or any other communicable/infectious diseases if the Health Officer has reasonable ground to suspect that such person is suffering from acquired imuno deficiency syndrome or other infectious disease as defined under the Act;]

³⁵[vii]

(viii) all such persons admitted in prescribed wards/hospitals shall be provided with materials, equipment, etc. which shall not be used for any other purpose;

(ix) the parenteral medication of the patients suffering from acquired imuno deficiency syndrome shall be given through disposable sets/syringes;

(x) the linen, mattresses, etc. used for the deceased patients who were suffering from acquired imuno deficiency syndrome shall be immediately destroyed by burning;

(xi) all the staff working for the management of the patient suffering from acquired imuno deficiency syndrome shall be effectively protected with long rubber gloves, sterilized linen and mask;

(xii) persons handling the dead bodies of patients who were suffering from acquired imuno deficiency syndrome shall be instructed to ensure that they do not come into contact with any secretions such as saliva; etc.;

(xiii) the dead body of a patient who was suffering from acquired imuno deficiency syndrome shall be enclosed in a polythene bag and tied with knots at both the ends and

sealed before further action for its cremation/burial or despatch abroad as the case may be;

(xv) all the Blood Banks shall send the blood specimen for ELIZA test to the Surveillance Centre of the Goa Medical College and only after obtaining the negative result, it shall be used for the paitents.]

³⁶[]

(2) If any woman who, according to custom, does not appear in public is removed to any such hospital or place —

(i) the removal shall be effected in such a way as to preserve her privacy; and

(ii) special accommodation in accordance with the customs aforesaid shall be provided for her in such hospital or place.

(3) No person shall leave or be taken away from, any hospital or other place referred to in sub-section (1) without the permission of the Medical Officer in-charge or of the Health Officer.

(4) Whoever

(a) obstructs the removal of any person to any hospital or other place under sub-section (1), or

(b) leaves or takes away any person from any such hospital or place in contravention of sub-section (3), shall be punished with imprisonment which may extend to three months or with fine or with both.

54. Prohibition of the exposure of other persons to infections.— (1) No person who knows that he is suffering from an infectious disease specified in this Chapter shall expose other persons to the risk of infection by his presence or conduct in —

(a) any market, college, playground, or such other place, or

(b) theatre or other place of entertainment or assembly, or

³⁷ [(c) any hotel, hostel, boarding house, choultry, rest-house, club or massage parlour/spa, or]

(d) any factory or shop.

Explanation:— A person shall be deemed to know that he is suffering from an infectious disease within the meaning of this sub-section if he has been informed by the Health Officer or any other officer of the Public Health Department of the Government or of a local authority, not below the rank of Health or Sanitary Inspector or a Medical Practitioner that he is so suffering.

(2) No person who has the care of a person whom he knows to be suffering from an infectious disease shall cause or permit that person to expose others to the risk of infection by his presence or conduct in any place referred to in sub-section (1).

55. Infected person not to engage in certain trades and occupations.— No person shall, while suffering from, or in circumstances in which he is likely to spread, any infectious disease—

(a) make, carry or offer for sale, or take any part in the business of making, carrying or offering for sale, any article of food for human consumption; or

(b) engage in any other occupation without a special permit from the Health Officer of the local authority concerned or otherwise than in accordance with the conditions specified therein.

56. Prevention of infectious diseases transmissible from animals.— If, in any local area, any infectious disease transmissible to man breaks out or is, in the opinion of the Health Officer, likely to break out amongst cattle or other animals it shall be the duty of the Health Officer to recommend to the local authority the adoption of such measures, as he may deem necessary for suppressing or mitigating the disease or for preventing the outbreak or threatened outbreak thereof; and the local authority shall consider such recommendations and take such action thereon as to it may deem suitable.

PART II

Notified Diseases

57. Notified diseases.— In this part, “notified disease” means, any disease which the Government may, from time to time, by notification, declare to be a notified disease for the purpose of this part either generally through out the Union territory or in such part or parts thereof as may be specified in the notification.

58. Occupation of houses to prevent the spread of infection.— (1) The Health Officer may, in cases of emergency, with the sanction of the Collector enter upon, occupy and use, or depute any person to enter upon, occupy and use, without having recourse to the provisions of the Land Acquisition Act, 1894 (Central Act 1 of 1894), any building or place which in the opinion of the Health Officer, is required, and is suitable for any purposes connected with the prevention or control of infection from a notified disease:

Provided that, if the building or place is occupied notice shall be given in writing to the occupant, or be conspicuously affixed on such building or place not less than thirty-six hours before it is entered upon.

(2) The owner or lessee of such building or place shall be entitled to compensation for any damage or expenses incurred and to a reasonable rent for the period during which it had been occupied or used for any of the purposes referred to in sub-section (1). Such compensation and rent shall be fixed by the Collector.

(3) The Health Officer shall, when any such building or place ceases to be occupied or used for any of the purposes aforesaid, cause it to be thoroughly disinfected and cleaned.

59. Information regarding notified disease.— Every medical practitioner, who in the course of his practice becomes cognizant of the existence of any notified disease in any private or public dwelling other than a public hospital and every manager of any factory or public building, every keeper of a lodging house, every head of a family and every owner or occupier of a house, who knows or has reason to believe that any person in any premises under his management, control or occupation is suffering from, or has died of a notified disease, shall, if the case has not been already reported, give information of the same with the least practicable delay—

(a) in local areas, to the local authority, the Health Officer or a Sanitary Inspector, and

(b) in other areas, to the Health Officer, a Health or Sanitary Inspector or the village Sarpanch.

Explanation:— In this section, ‘medical practitioner’ includes a hakim or vaidya, whether registered or not.

60. Power of entry of Officers to take preventive measures.— (1) The Health Officer or any person authorized by him in this behalf, may

(a) at all reasonable hours, inspect with or without assistants any place in which any notified disease is reported or suspected to exist without notice in the case of factories, workshops, work-places, offices and the like and after giving such notice as may appear to him reasonable in other cases including dwelling houses; and

(b) take such measures as he may consider necessary to prevent the spread of such disease beyond such place.

(2) The powers conferred by sub-section (1) on the Health Officer may, in local areas, be exercised also by the local authority or any person authorised by such authority.

61. Destruction of hut or shed to prevent spread of infections.— (1) If it appears to the Health Officer that the destruction of any hut or shed is necessary to prevent the spread of any notified disease, he may, after giving to the owner and the occupier of such hut or shed such previous notice of his intention as may in the circumstances of the case appear to him reasonable take measures for having such hut or shed and all the materials thereof destroyed.

(2) Such compensation as the local authority may consider reasonable, shall be paid to any person who in its opinion sustains loss by the destruction of any hut or shed under the powers conferred by sub-section (1) but save as provided in this sub-section, no claim for compensation shall lie for any loss or damage caused by any exercise of the powers aforesaid.

62. Closure of lodging houses.— If, on the application of the Health Officer, a Magistrate is satisfied that it is necessary in the interests of public health that a lodging house or any place where articles of food are sold, or prepared, or exposed for sale, or distributed, should be closed on account of the existence or recent occurrence in such lodging house or place of a case of notified disease, the Magistrate may, by order, direct it to be closed until the expiry of such period as may be specified in the order or until it is certified by the Health Officer to be free from infection.

63. Infected clothes not to be sent to laundry.— No person shall —

(1) send or take to any laundry or public wash-house or any public water-course, tank or well, for the purpose of being washed or to any place for the purpose of being cleaned, any clothing, bedding or other article which he knows to have been exposed to infection from any notified disease, unless such article has been disinfected by or to the satisfaction of the Health Officer or a registered medical practitioner, or unless under instructions from such a person, it is sent with proper precautions to a laundry for the purpose of disinfection with notice that it has been exposed to infection; or

(2) place or cause or permit to be placed in any dust-bin or other receptacle for the deposit of refuse any matter which he knows to have been exposed to infection from a notified disease and which has not been disinfected.

64. Infected persons not to use public conveyance.— (1) No person who knows that he is suffering from notified disease shall —

(a) enter any public conveyance used for the conveyance of passengers at separate fares, or

(b) enter any other public conveyance.

(2) No person having the care of a person when he knows to be suffering from a notified disease shall permit that person to be carried —

(a) in any public conveyance used for the conveyance of passengers at separate fares, or

(b) in any other public conveyance, without previously notifying the owner, driver or conductor thereof that the person is so suffering.

(3) The owner, driver or conductor of a public conveyance used for the conveyance of passengers at separate fares shall not convey therein a person whom he knows to be suffering from a notified disease, at any time when a passenger not suffering from such disease is being conveyed therein:

Provided that a person suffering from a notified disease may be conveyed in the public conveyance aforesaid in such cases of emergency and subject to such restrictions and safeguards as may be notified by the Government.

(4) The owner or driver of any other public conveyance may refuse to convey therein any person suffering from a notified disease until he has been paid a sum sufficient to cover any loss and expense which will be incurred by reason of the provisions of sub-sections (5) and (6).

(5) If a person suffering from a notified disease is conveyed in a public conveyance, the person in-charge thereof shall as soon as practicable give notice to the Health Officer of the local area in which the conveyance is usually kept and before permitting any other person to enter the conveyance shall cause it to be disinfected.

(6) The local authority when so requested by the person in-charge of a public conveyance in which a person suffering from a notified disease has been conveyed shall provide for its disinfection.

65. Letting or sub-letting a building occupied by an infected person.— No person shall, without a special permission from the Health Officer, let or sub-let or permit or suffer any prospective tenant to enter a building in which he knows or has reasons to know that a person has been suffering from a notified disease within the three months immediately preceding.

66. Prohibition of exposure of other persons to infection.— (1) No person who knows that he is suffering from a notified disease shall expose other persons to the risk of infection by his presence or conduct in —

(a) any street or public place, or

(b) any market, theatre or other place of entertainment or assembly, or

(c) any school, college, playground or such other place, or

(d) any hotel, hostel, boarding house, choultry, rest-house, or club, or

(e) any factory or shop.

Explanation:— A person shall be deemed to know that he is suffering from a notified disease within the meaning of this sub-section if he has been informed by the Health Officer or any other officer of the Public Health Department of the Government or of a local authority, not below the rank of Health Officer or sanitary inspector, or medical practitioner registered under the Indian Medical Council Act, 1956 (Central Act 102 of 1956) that he is so suffering.

(2) No person who has care of a person whom he knows to be suffering from a notified disease shall cause or permit that person to expose others to risk of infection by his presence or conduct in any place referred to in sub-section (1)

67. Forbidding work in infected premises.— (1) If a case of notified disease occurs on any premises, the Health Officer may, whether the person suffering from the disease has been removed from the premises or not, make an order forbidding any work to be given out to any person living or working on those premises or in such part thereof as may be specified in the order, and any order so made be served on the occupier of the factory from which the work is given out or on any contractor employed by the occupier.

(2) An order under this section may be expressed to be operative for a specified time or until the premises or any part thereof specified in the order have been disinfected to the satisfaction of the Health Officer, or be expressed to be operative so long as any other reasonable precautions specified in the order are taken.

(3) This section applies to the making, cleaning, washing, altering, ornamenting, finishing or repairing of wearing apparel and any work incidental thereto, and to such other classes of work as may, from time to time, be notified by the Director.

68. Prohibition of use of public library by infected person.— No person who knows that he is suffering from a notified disease shall take any book or cause any book to be taken for his use, or use any book taken from any public or circulating library.

69. Disposal of bodies of persons dying while suffering from notified disease.— (1) No person having the charge or control of the body of any person who has died while suffering from a notified disease shall permit or suffer persons to come unnecessarily into contact with, or proximity to, the body.

(2) No person shall, without the sanction in writing of an officer of the Public Health Department of the Government or of the local authority concerned not below the rank of Health Officer or Sanitary Inspector, retain in any premises (elsewhere than in a public mortuary) for more than twelve hours the body of any person who has died while suffering from any notified disease.

(3) (a) If any such body not being a body kept in a mortuary remains undisposed off for more than twelve hours without the sanction referred to in sub-section (2), or if the dead body of any person is retained in any building so as to endanger the health of the inmates of such building or of any adjoining or neighbouring building, any Magistrate may, on the application of any officer referred to in sub-section (2), order the body to be removed and disposed off within a specified time.

(b) A Magistrate may, in the case of the body of a person who has died while suffering from a notified disease, or in any other case in which he considers the immediate disposal of the body necessary, direct the body to be so disposed off, unless the friends or the relatives of the deceased undertake the disposal of the body within a time specified in the order.

(c) The expenses of the removal and disposal of any body under clause (a), or clause (b) shall be borne by the local authority; but such expenses may be recovered as if it were tax due to it, by the local authority from any person who would have been legally liable therefor but for such removal and disposal, unless in the opinion of the local authority he is too poor to do so.

(4) (a) If any person dies in a hospital or a place of temporary accommodation for the

sick while suffering from a notified disease, and the Health Officer certifies that in his opinion it is desirable, in order to prevent the spread of infection, that the body should not be removed from such hospital or place except for the purpose of being taken direct to a burial of burning ground or a crematorium for being forthwith buried or cremated, no person shall remove the body from the hospital or place except for such a purpose.

(b) When a body is removed for the purpose aforesaid it shall forthwith be taken direct to a burial or burning ground or a crematorium and there buried or cremated with the least practicable delay.

(5) Without the permission of the Health Officer or a Magistrate, no person shall cause or permit to be carried in a public conveyance the dead body of any person who had died while suffering from a notified disease.

70. Power of Magistrate to prohibit an assembly of more than fifty persons.— In the event of the prevalence of a notified disease in any local area, on the application of the Health Officer, any Magistrate, not being a Magistrate of the third class, having local jurisdiction shall have power to prohibit either generally or by special order in any individual case, assemblages consisting of any number of persons exceeding fifty in any place whether public or private or in any circumstances, or for any purpose, if in his opinion such assemblages in such place, in such circumstances, or for such purpose, would be likely to become a means of spreading the disease or of rendering it more virulent.

71. Power of Government to confer special powers on officers to control notified disease.— (1) (a) In the event of the prevalence or threatened outbreak of a notified disease in any place or area, Government may declare that such place or area is visited by or threatened with, an outbreak of such disease.

(b) The power conferred on the Government by clause (a) may also be exercised, in the case of a place or area situated in a district, by the Collector of the district subject to the control of the Government.

(c) Any declaration made by the Government under clause (a) or withdrawal thereof in whole or in part shall be published in the Official Gazette and shall come into operation on the date of such publication.

(d) Any declaration made by the Collector under clause (b) or withdrawal thereof in whole or in part shall be published in the Official Gazette and shall come into operation on the date of such publication.

(2) When a declaration under clause (a) or clause (b) of sub-section (1) comes into operation, and until withdrawn, the Collector or any person duly authorised by him by general or special order, or if empowered in this behalf by rules made under this Act, the Health Officer or any other officer of the Government other than the Collector may, subject to such exceptions, restrictions, limitations and conditions as may be prescribed either generally or in the case of the notified disease to which the declaration relates, exercise the following powers, namely:—

(a) power to order the evacuation of infected houses and houses adjoining them or in their neighbourhood, or generally of all houses in an infected locality;

(b) power to make vaccination and preventive inoculations compulsory subject to the provisions of sub-section (3);

(c) power to direct —

(i) that persons arriving from places outside the local area, or residing in any building, adjacent to, or in the neighbouring of, an infected building, shall be examined by any specified medical officer or by any one of a specified class of medical officers;

(ii) that the clothing, bedding or other articles belonging to such persons shall be disinfected, if there is reason to suspect that they have been exposed to infection; and

(iii) that any such person shall give address and present himself daily for medical examination at a specified time and place, for a period not exceeding ten days;

(d) power to take such measures as may be necessary in respect of, or in relation to, articles exposed to infection from any notified disease, or likely to infect persons with any such disease, including (i) the placing or restrictions on the movements of such persons, and (ii) the destruction of such articles and the placing of restrictions on their export from, import into, or transport within the local area;

(e) power to direct that any consignment of grain exported into such area by rail, road or otherwise, shall be examined and, if necessary unloaded and disinfected in any specified manner;

(f) power to close all or any existing markets and to appoint special places where markets may be held; and

(g) power to direct the local authorities to take such measures as may be necessary in respect of cattle within local area;

(3) (a) If any person who, or a child in whose care, is sought to be vaccinated or inoculated in pursuance of the power referred to in clause (b) of sub-section (2) declare before a Magistrate specially empowered by the Government in this behalf that as a result of a careful inquiry into the subject, he believes that such vaccination or inoculation, will be injurious to his health or the health of the child, as the case may be, the Magistrate may, after giving notice to the Health Officer and hearing any representation by him or on his behalf exempt such person or child from vaccination or inoculations, on such person aforesaid undertaking to subject himself and the members of his family to isolation of such description and for such period and to such further restrictions, if any, as may be, directed by the Magistrate:

Provided that any exemption granted under this clause shall cease to have effect after a conviction under clause (b) and no exemption, shall be granted to any person who has been so convicted.

(b) Any person who commits a breach of any undertaking given by him under clause (a) shall be punished with.³⁸[fine which may extend to Rs. 25,000/-]

(4) The local authority may, in its discretion give compensation to any person who, in its opinion has sustained substantial loss by the destruction of any property under the powers conferred by this section but save as provided in this sub-section, no claim for compensation shall lie for any loss or damage caused by any exercise of the powers aforesaid.

72. Destruction of rats, mice, etc.— (1) The occupier of every premises, or if the premises are unoccupied, the owner thereof, shall take such steps as may be reasonably practicable for the destruction of rats, mice and other animals susceptible to plague infecting such premises.

(2) Where the Health Officer is of the opinion that the occupier or owner of any premises has failed to fulfil the obligation laid on him by sub-section (1), he may either—

(a) serve a notice on such occupier or owner, requiring him to take such steps and within such time as may be specified in the notice, or

(b) enter upon such premises and take such steps as may be necessary for the purpose of destroying the rats, mice and other animals susceptible to plague infesting the same, after giving not less than twenty-four hours previous notice to such occupier or owner.

(3) any expenses incurred under clause (b) of sub-section (2) may be recovered by the local authority concerned from the occupier or owner as the case may be, as if it were a tax due from him to the local authority.

PART III

Venereal Diseases

73. Provisions for treatment of venereal diseases by local authority.— (1) A local authority may, and if so required by the Government shall, make such arrangements in its local area as may be directed by the Government for —

(a) the free diagnosis and treatment of persons suffering, or suspected to suffer, from venereal diseases; and

(b) the prevention of infection from such diseases.

(2) The local authority may for the purpose mentioned in sub-section (1) enter into contract —

(a) with any other authority, or

(b) with a hospital or medical institution recognized by the Government in this behalf, or

(c) with the sanction of the Government with any medical practitioner registered under the Indian Medical Council Act, 1956 (Central Act 102 of 1956).

74. Patient to be instructed in methods of prevention of spread of venereal disease.— Every physician or other person treating, or examining with a view to treating, a person having a venereal disease shall at the first visit —

(a) impress upon such person the necessity for treatment until he is cured;

(b) instruct him in regard to the measures necessary for preventing the spread of the disease; and

(c) furnish him with such other information relating to the disease as may be provided by the Director.

PART IV

Power to make Rules

75. Rules for prevention, treatment and control of certain diseases.— (1) The Government shall have power to make such rules as they deem fit for the treatment of

persons affected with any epidemic, endemic or infectious disease and for preventing the spread of such diseases and the rules may declare by what authority or authorities such rules shall be enforced and executed.

³⁹["75A. Builder and contractor to get employees screened.— (1) No builder and/or contractor shall employ any employee/ labourer at the construction site unless the builder and/or contractor gets such employee/labourer duly screened for malaria at the nearest Health Centre or at Mobile Squad of National Malaria Eradication Programme. Similar screening for malaria shall be done once in every three months.

(2) The Health Officer/Medical Officer of the Health Centre/Mobile Squad shall, after screening any employee/labourer for malaria and other sickness, issue a health card containing the photograph of the employee/labourer and a certification as regards the health status of the employee/labourer so screened.

(3) Whenever demanded by the Health Officer, the builder/contractor or employee/ labourer shall produce such health card.

75AA. Penalty for offence under section 75A. — (1) Whoever contravenes the provisions of section 75A of the Act, shall be punishable with fine of ⁴⁰[Rs.10000/-] per person each time and when the offence is a continuing one, with a daily fine not exceeding ⁴¹[Rs.500/-] during the period of the continuance of the offence.

⁴²[(2) In the event of the contravention of the provisions of section 75A of this Act continuing beyond a period of fifteen days from the date of imposition of daily fine of Rs. 500/- under sub-section (1), the Health Officer shall request the concerned local authority to suspend or cancel the construction licence issued to the builder/contractor till such time the contravention continues and the concerned local authority shall act accordingly and the builder/contractor shall, upon conviction, be punishable with imprisonment for a term which shall not be less than three months but which may extend to six months.]

CHAPTER VIII

Mosquito control

76. Prohibition of mosquito breeding in collections of water.— (1) If the provisions of this section have been extended to any local area, no person or local authority shall, after such extension—

(a) have, keep or maintain within such area any collection of standing or flowing water in which mosquitoes breed or are likely to breed; or

(b) cause, permit, or suffer any water within such area to form a collection in which mosquitoes breed or are likely to breed, unless such collection has been so treated as effectively to prevent such breeding.

Explanation:— Troughs used for cattle and in frequent use shall not, until the contrary is proved, be deemed to be collections of water in which mosquitoes breed or are likely to breed.

⁴³[(c) leave wells in any Municipal area permanently disused without hermetically sealing or closing them with mosquito-proof arrangements as specified by the Health Officer;]

(2) The natural presence of mosquitoes larvae in any standing or flowing water shall

be evidence that mosquitoes are breeding in such water.

⁴⁴[(3) If any person contravenes the provisions of sub-section (1), the Health Officer may issue to him a notice requiring him to comply with the requirements thereof within specified time limit.

(4) Whenever any person on whom notice is served under sub-section (3), fails to comply with the requirements thereof, the Health Officer may himself or through local bodies get the requisite work done and recover the cost thereof from the owner as arrears of land revenue under the law for the time being in force.]

⁴⁵[**76A. Builder to take anti-larval measures.**— (1) Notwithstanding any law for the time being in force, it shall be the duty of every builder where construction activities are being carried on, to take adequate anti-larval measures at the construction site in consultation with the concerned Health Officer.

(2) The Health Officer shall have subject to the control of the Government, power to issue notice to the concerned builder for compliance of the provisions of sub-section (1) within the period as specified thereunder.

(3) Whenever the builder on whom notice is served under sub-section (2), fails to comply with the requirements within reasonable period as specified there under, the Health Officer shall take all required anti-larval measures as may be necessary at the construction site, and recover all expenses incurred thereunder at the rate prescribed under section 76B from the builder as arrears of land revenue under the law for the time being in force.

76B. Levy of fee.— The fee to be levied for anti-larval measures at construction site shall be at such rates as may be prescribed but not exceeding “rupees five thousand each time].

⁴⁶[**76C Nuisance.**— (1) the competent authority may, by notice in writing require the person by whose act, default or sufferance, a nuisance arises, exists or continues or is likely to arise; or the owner, lessee and occupier of the land, building or premises on which the nuisance arises, exists or continues or is likely to arise; or any one or more of such person, owner, lessee and occupier; to remove, discontinue or abate the nuisance by taking such measures and by executing such work in such manner and within such period of time as the competent authority may specify in such notice.

(2) The competent authority may also by any notice under sub-section (1) or by another notice, served on such person, owner, lessee and occupier, or any one or more of them, require them, to take all steps requisite or necessary to prevent a recurrence of the nuisance and may, if he thinks fit and desirable specify any work to be executed or measures to be carried out for that purpose. If, at any time within two months from the date of service of any such notice, the nuisance recurs through the failure of the person or persons upon whom such notice has been served to comply with the requirements contained in such notice, such person or persons shall be liable without any further notice to the penalties provided in this Act for offences under this section.

(3) Where the nuisance arises or exists or is likely to arise or recur in connection with the construction, reconstruction or demolition of any premises or any part thereof, the competent authority may, in addition to serving any notice on any one or more of the persons mentioned in sub-section (1) serve any such notice on the architect, contractor or other person employed to carry out such work of construction, reconstruction or demolition, as the case may be, and also on any sub-contractor employed by such

contractor or other person or any one or more of such contractor, person and sub-contractor.

Explanation:— For the purpose of this section, a nuisance shall include.— (a) any pool, ditch tank, well, pond, quarry hole, drain water-course or any collection of water or (b) any cistern or other receptacle for water or any article or thing capable of collecting rain water during the monsoon season whether within or outside a building or (c) any land on which water accumulates or is likely to accumulate or (d) any premises or part of any premises occupied, or unoccupied or under construction, reconstruction or demolition which, in the opinion of the competent authority, is or is likely to become a breeding place of mosquitoes.

76D. Regulation of new work.— (1) No new well, tank, pond, cistern or water fountain, swimming pool, etc. shall be dug or constructed without the prior permission in writing of the competent authority.

(2) If any such work is begun or completed without such prior permission, the competent authority may either,—

(a) by written notice, require the owner or other person who has done such work to fill up or demolish such work in such manner as the competent authority may specify; or

(b) grant written permission to retain such work, but such permission shall not exempt such owner from proceeding for contravening the provisions of sub-section (1).

76E. Probability for certain acts likely to breed mosquitoes.— (1) The owner or occupier of any house, building or shed or land shall not keep therein any bottle, vessel, can or any other container, broken or unbroken, in such manner that it is likely to collect and retain water which may breed mosquitoes.

(2) All burrow pits required to be dug in the course of construction and repair of roads, railways, embankments, etc., shall be so cut as to ensure that water does not remain stagnant in them and borrow pits shall be so graded and profiled that the water will drain off by drainage channels/connections from one pit to the other till the nearest natural drainage/nullah is met with. No person shall create any isolated burrow pit which is likely to cause accumulation of water that may breed mosquitoes.

76F. Penalties.— Whoever, knowingly contravenes any provisions under sections 76C, 76D or 76E and disobeys any order or requisitions made under any of the aforesaid sections or obstructs any official of the Health Services, shall on conviction, be punished with fine which may extend to ⁴⁷[Rs. 5000/-] and in case of continuing offence with further fine which may extend to ⁴⁸[rupees five hundred] for every day after the first conviction during which such contravention continues].

77. Treatment of mosquito breeding places.— (1) The Health Officer may, by notice in writing, require the owner or the occupier of any place containing any collection of standing or flowing water in which mosquitoes breed or are likely to breed, within such time as may be specified in the notice, not being less than twenty-four hours, to take such measures with respect to the same, or to treat the same by such physical, chemical or biological method being measures or a method, approved by the Director, as the Health Officer may consider suitable in the circumstances.

(2) If the notice under sub-section (1) is served on the occupier, he shall in the absence of a contract expressed or implied to the contrary be entitled to recover from the owner

the reasonable expenses incurred by him in taking the measures or adopting the method of treatment specified in the notice and may deduct the amount of such expenses from the rent is then, or which may thereafter be, due from him to the owner.

78. Health Officer's powers in case of default.— If the person on whom a notice is served under section 77 refuses to take the measures, or adopt the method of treatment, specified in such notice within the time specified therein, the Health Officer may himself take such measures or adopt such treatment and recover the cost of doing so from the owner or occupier of the property as the case may be, in the same manner as if it were a property tax.

79. Protection of anti-mosquito works.— Where with the object of preventing the breeding of mosquitoes in any land or building, the Government or any local authority or the owner or occupier at the instance of the Government or any local authority, have constructed any works in such land or building, the owner for the time being, as well as the occupier for the time being, of such land or building shall prevent its being used in any manner which causes, or is likely to cause, the deterioration of such works, or which impairs, or is likely to impair, their efficiency.

80. Prohibition of interference with such works.— (1) No person shall, without the consent of the Health Officer interfere with, injure, destroy or render useless, any work executed on any land or buildings, by or under the orders of the Health Officer with the object of preventing the breeding of mosquitoes therein.

(2) If the provisions of sub-section (1) are contravened by any person, the Health Officer may re-execute the work or replace the materials or things as the case may be, and the cost of doing so shall be recovered from such person in the same manner as if it were a property tax.

81. Power of Health staff to enter and inspect premises.— For the purpose of enforcing the provisions contained in this Chapter, the Health Officer or any officer of a local authority not below the rank of Health or Sanitary Inspector may, at all reasonable time after giving such notice in writing as may appear to him reasonable, enter and inspect any land or building within his jurisdiction; and the occupier or the owner as the case may be, of such land or building, shall give all facilities necessary for such entry and inspection, and supply all such information as may be required by him for the purpose aforesaid.

CHAPTER IX

Sanitation and buildings

PART I

Control over Insanitary Buildings

82. New building not to be erected on certain sites.— (1) No person shall erect a new building on any ground which has been filled up with faecal or offensive vegetable or offensive animal matter or upon which any such matter has been deposited, unless and until the Health Officer certifies that such matter has been properly removed by excavation or otherwise, or has become or been rendered innocuous.

(2) Against the refusal of the Health Officer to issue a certificate under sub-section (1), an appeal shall lie to the Government whose decision shall be final.

83. Cleansing court-yard or passage used in common.— (1) If any court-yard or passage which is used in common by the occupants of two or more buildings, but is not a public street, is not regularly swept and kept clean and free from rubbish or other accumulation to the satisfaction of the Health Officer, he may cause such court-yard or passage to be swept and cleaned.

(2) The local authority may recover any expenses reasonably incurred by the Health Officer under sub-section (1) from the occupants of the buildings in such proportions as may be determined by the Health Officer.

84. Dwelling house unfit for human habitation to be vacated.— (1) If any dwelling house or portion thereof appears to the Health Officer to be unfit for the purpose of human habitation he may, in cases not falling under section 42, apply to the local authority to prohibit the use thereof for such purpose, and such authority shall make an order prohibiting the use of such dwelling house or portion for human habitation until in the opinion of the Health Officer it is rendered fit thereof:

Provided that before making an order under this sub-section, the local authority shall give the owner and the occupier or occupiers, if any, concerned, a reasonable opportunity of showing cause why such an order should not be made.

(2) When any order has been made under sub-section (1), the local authority shall cause a copy of the order to be communicated to the owner as well as to every occupier concerned; and every such occupier shall be bound to cease to inhabit the dwelling house or portion thereof, as the case may be, within thirty days after the communication of the order to him.

(3) The owner of any dwelling house or portion of a dwelling house in respect of which an order under sub-section (1) is in force, shall not let or occupy, or permit to be let or occupied such dwelling house or portion or any part thereof, as a human habitation.

PART II

Abatement of overcrowding

85. Definitions.— In this part—

(1) “tenement” means a dwelling house and includes,—

(a) any part of a dwelling house which is capable of separate occupation; and

(b) a students’ hostel under public or recognized control, but does not include a dwelling house or part of a dwelling house occupied by the owner thereof; and

(2) “landlord” means the immediate landlord of the occupier or occupiers of a tenement.

86. Duties of landlord.— A landlord of a tenement—

(a) shall maintain it in a habitable condition; and

(b) except temporarily on occasions such as marriage and the like shall not cause or permit the tenement to be overcrowded:

Provided that no proceedings shall be instituted against the landlord in respect of any infringement by him of the provisions of this section, unless a notice in writing that the tenement is not in a habitable condition or that it is overcrowded, has been served upon the landlord or his agent by the Health Officer, and the landlord fails within such time as may be specified in such notice to take such steps as may be reasonably open to him for putting the tenement in habitable condition or for securing the abatement of the overcrowding therein, as the case may be, including, if necessary the taking of legal proceedings for possession of the tenement.

87. Power to make rules.— The Government shall have power to make rules for determining —

(a) whether a tenement or any class of tenement is or not maintained in a habitable condition within the meaning of section 86; and

(b) whether a tenement or any class of tenements is or is not overcrowded within the meaning of that section.

⁴⁹[CHAPTER IX-A

Articles injurious to Public Health

87A. Prohibition of dealing in food articles injurious to Public Health.— No person himself or by any other person on his behalf shall manufacture for sale, or store, exhibit, sell or distribute or in any way deal with any injurious food article used for human consumption.

(2) If the Government is satisfied that the use or consumption of any injurious article of food which contains any ingredient and in such quantity which is or is likely to be injurious to public health and that in the public interest, it is necessary or expedient so to do, then, the Government may, by notification in the Official Gazette, prohibit the consumption, manufacture, sale, distribution, storing or stocking of such injurious articles of food, either in the entire State of Goa, or at such places, areas, or part thereof as the Government notifies in this regard.

87B. Prohibition in dealing with certain articles of food in designated area.— (1) No substance or article of food containing tobacco or any other ingredients of tobacco, including cigarettes, pan masala, gutkha, beedies, cigars, chewing tobacco shall be manufactured for sale, sold, stored, stocked or distributed or exhibited for sale or consumed by any person within a distance of 50 meters from the following Institutions/places:

(3) All hospitals, nursing homes, dispensaries;

(4) Goa State Legislative Assembly Complex, Goa State Secretariat Complex, All Government buildings, all Court buildings;

(5) Sports complexes, sports stadia, all playgrounds.

87C. Public Analyst.— The Government may, by notification in the Official Gazette, appoint Public Analysts, attached to the Goa State Combined Food and Drugs Laboratory under the Directorate of Food and Drugs Administration, for such local areas as may be assigned to them by the Government:

Provided that no person who has any financial interest or relatives or any other direct or indirect interest in the manufacture or sale of any article of food shall be appointed to be a Public Analyst under this section.

87D. Power to entry, search, etc.— (1) Every District Magistrate, Additional District Magistrate, Sub-Divisional Magistrate, Executive Magistrate, Mamlatdar or any officer of the Directorate of Health Services not below the rank of Health/Medical Officer or any

officer of the Directorate of Food and Drugs Administration not below the rank of Food Inspector, within the local limits of the area for which he/she is so authorized, or any Police Officer not below the rank of Police Sub-Inspector or any other Officer empowered by the Government by general or special order, within the local limits of the area for which he is so authorized, may,—

(a) enter and search at all reasonable times, with such assistants, if any, as he may consider necessary, any place, building or conveyance, in which he has reason to believe that an offence of dealing in injurious food articles prohibited under this Chapter, has been or is being committed;

(b) seize the prohibited injurious food articles along with the conveyance or any other mode employed for carrying out the offence;

(c) examine any record, register, document or any other material or object found in any place mentioned in clause (a), and seize the same if he has reason to believe that it may furnish evidence of the commission of offence punishable under this Act.

(2) The power of entry specified in sub-section (1) includes the power to break open the door, whenever required, provided that before exercising this power a reasonable notice shall be given to the occupier of the premises.

(3) The provisions of the Code of Criminal Procedure, 1973 (Central Act 2 of 1974), shall, so far as may be, apply to any search or seizure under this Act, as they apply to any search or seizure made under the authority of a warrant issued under section 94 of the said Code.

(4) Where any person seizes anything, under clause (b) or clause (c) of sub-section (1), he shall, as soon as may be, inform a Magistrate and take his orders as to the custody thereof.

(5) (a) it shall be the duty of every officer of the Police Department, whatsoever rank he may hold, to help, assist and co-operate, with every or any officer discharging duties under preceding sub-section of this section.

(b) It shall be duty of every Government servant, of every rank and post, to render all assistance including acting as witnesses or panchas, when called upon to do so, during any search, seizure or other operations undertaken pursuant to this Act, by any officer mentioned in sub-section (1) of this section.

87E. Procedure to be followed after seizure.— When any officer takes a sample of any injurious article of food, which has been prohibited under this Chapter, he shall,—

(a) give a notice in writing then and there of his intention to have it so analysed to the person from whom he has taken the sample;

(b) divide the sample then and there into two parts and mark and seal or fasten up each part in such a manner as its nature permits and take signature or thumb impression of the person from whom the sample has been taken in such place and in such manner as may be prescribe:

Provided that where such person refuses to sign or put his thumb impression, the officer, shall call upon one or more witnesses and take his or their signatures or thumb impressions, as the case may be, in lieu of the signature or thumb impression of such person;

(c) send one part for analysis to the public analyst;

(d) retain the second sample for production, in any event before the Court of law, before whom, if any, proceedings are in process, under this Chapter.

(e) where the officer, takes any action under clause (a) of this section, he shall call one or more persons to be present at the time when such action is taken and take his or their signatures.

87F. Penalty.— Whoever contravenes the provisions of this Chapter shall, on conviction, be punishable with ⁵⁰[a fine which shall not be less than ten thousand rupees, but which may extend to Rs. 25,000/]

87G. Punishment for illegal possession in small quantity for personal consumption of any article of food injurious to health or consumption of such article of food.— (1) whoever, in contravention of provisions of this Chapter, possesses in a small quantity, any article of food injurious to health which is proved to have been intended for his personal consumption and not for sale or distribution, or consumes any such food, shall, notwithstanding anything contained in this Chapter, be punishable with fine not exceeding rupees one thousand.

(2) An offence committed under sub-section (1) may, before the institution of the prosecution, be compounded by such officer as may be authorized by the Government, on payment, for credit to the Government, for first such offence an amount not less than rupees five hundred and for any second and subsequent offences with an amount not less than one thousand rupees.

Explanation:— For the purposes of this section, “small quantity” means a packet, or a sachet, or a pouch, containing not more than ten grams of the injurious food articles.

(3) Where an offence has been compounded under sub-section (1), no further proceedings shall be taken against any such offender in respect of such offence, except keeping a record of the same with the concerned Department.

87H. Cognizance and trial of offences.— (1) No prosecution for an offence under this Chapter shall be instituted except by or with the written consent of the officer appointed by the Government or by a person authorized in this behalf, by general or special order, by the Government.

(2) No Court inferior to that of the Judicial Magistrate of the First Class shall try offences under this Chapter.

(3) Notwithstanding anything contained in the Code of Criminal Procedure, 1973 (Central Act 2 of 1974), an offence punishable under this Chapter shall be cognizable and non-bailable.

87I. Forfeiture of property.— Where any person has been convicted under this Chapter, for the contravention of the provisions of this Chapter, the article of food in respect of which the contravention has been committed may be forfeited to the Government, and disposed off or destroyed, as directed by the Government.

87J. Offences by companies.— (1) If the person contravening any of the provisions of this Act is company, every person who, at the time the offence was committed, was in charge of, and was responsible to, the company for the conduct of the business of the

company including its Directors, as well as the company shall be deemed to be guilty of the contravention, and shall be liable to be proceeded against and punished accordingly:

Provided that nothing contained in this sub-section shall render any such person liable to any punishment provided in this Act if he proves that the offence was committed without his knowledge or that he exercised all due diligence to prevent the commission of such offence.

(2) Notwithstanding anything contained in sub-section (1) where an offence under this Act has been committed by a company and it is proved that the offence was committed with the consent or connivance of, or is attributable to any neglect on the part of, any Director or Manager, Secretary or other officer of the company, he shall also be deemed to be guilty of the offence and shall be liable to be proceeded against and punished accordingly.

Explanatory:— For the purpose of this section,—

(a) “company” means anybody corporate and includes a firm or association of individuals, and

(b) “Director” in relation to a firm means a partner in the firm.

87K. Protection of action taken in good faith.— No suit, prosecution or other legal proceedings shall lie against the Government or any officer of the Government for anything which is in good faith done or purported to be done in pursuance of this Act.

87L. Provisions of this Chapter to be in addition to and not in derogation of other provisions or laws.— The provisions of this Chapter shall be in addition to and not in derogation of any other provisions of this Act or any other law for the time being in force.]

CHAPTER X

Fairs and festivals

88. Notification of fairs and festivals by Government.— (1) The Government may, by notification —

(a) declare that any local area or part of a local area in which a fair or festival is to be held shall, for the purpose of this Chapter, be a notified fair or festival centre, for such period as may be specified in the notification; and

(b) define the limits of the area which shall for the purposes aforesaid, be the site for the fair or festival.

(2) The provisions of this Chapter shall apply only to fairs and festivals in connection with which a notification under sub-section (1) has been issued.

89. Notice to be given of fair or festival.— (1) the person or authority in charge of any fair or festival as notified from time to time by the Government, in this behalf shall, not less than 15 days before the commencement, intimate to the local authority and Health Officer, or in the case such fair or festival is to be held within the jurisdiction or more than one local authority to each of the local authorities concerned, the date of commencement of such fair or festival, and the period for which it will last.

(2) The person or authority in charge of the fair or festival referred to in sub-section (1) shall also furnish such other particulars relating to the fair or festival as may be called for

by the local authority or Health Officer or any of the local authorities concerned.

90. Sanitary arrangements, etc.— The local authority within whose jurisdiction a fair or festival is held, or if it is held within the jurisdiction of two or more local authorities, any person or committee appointed by such local authority jointly, shall make provision for—

- (1) the demarcation and preparation of the site of the fair or festival;
- (2) the clearing and draining of the site;
- (3) the disposition of the several parts of the fair or festival, including the alignment of roads within the site;
- (4) the supply in sufficient quantities of water fit for drinking and cooking purposes for the use of persons resorting to the fair or festival and the proper preservation of such water;
- (5) the accommodation of pilgrims and visitors, to such extent as may be practicable;
- (6) the lighting of the fair or festival;
- (7) the supply by suitable persons of wholesome food, at reasonable rates, to persons resorting to the fair or festival and the proper supervision and inspection of all food prepared or offered for sale or stored or in course of transit within the fair or festival;
- (8) the collection, removal and disposal of refuse, rubbish and sewage;
- (9) the supply and maintenance of suitable latrines for the use of persons resorting to the fair or festival;
- (10) the detection and segregation of cases of infectious diseases and the prevention of the introduction and spread of such diseases;
- (11) the employment of adequate medical staff, the provision of medical relief, and the furnishing of hospital accommodation both of general and isolation purposes; and
- (12) such other purposes as may be prescribed.

91. Health Officer to supervise the arrangements.— The arrangements mentioned in section 90 shall be executed under the supervision and control of the Health Officer concerned, or if the fair or festival is held within the jurisdiction of more than one local authority, under the supervision and control of the Health Officer of one of such local areas designated by the person or Committee referred to in section 90, or in case no Health Officer is so designated under the supervision and control of the Health Officer concerned within their respective local areas.

92. Power to enter and seize unwholesome food.— (1) The Health Officer, or Health or Food Inspector or the local authority or of any of the local authorities concerned, or any officer of the Government or of any such local authority appointed by the Government in this behalf may—

- (a) enter and inspect any building or shop in the fair or festival which is a source of food supply;
- (b) for the purposes of inspection, have access to any source of water-supply on

such or within such distance therefrom as the Government may, by general or special order, determine; and

(c) seize any food prepared or offered for sale or stored or in course of transit within the fair or festival centre which he has reason to believe, is unwholesome or unfit for human consumption, and destroy the same forthwith if in his opinion, such food is of a perishable nature or the value thereof does not exceed three rupees.

(2) (a) Any Officer seizing any food under clause (c) of sub-section (1) shall, if it is not destroyed under that clause, report the seizure to such authority or person as may be prescribed in that behalf.

(b) If the authority or person aforesaid is of opinion that the food is unwholesome or unfit for human consumption such authority or person may, by order in writing, direct the food to be destroyed; and any expenses incurred in this behalf including the cost, if any, of analysing the food or a sample thereof shall be recoverable from the person from whom the food was seized, as if it were a tax due from him to the local authority or any of the local authorities concerned.

(c) If the authority or person aforesaid is of opinion that such food is wholesome and fit for human consumption, the food shall be returned to the person from whom it was seized and the cost, if any, of analysing the food or a sample thereof shall be borne by the local authority or local authorities concerned.

93. Occupation of building, etc. required in connection with fair or festival.— (1)

The local authority may, in case of emergency with the sanction of the Collector, depute any person to enter upon, occupy and use, without having recourse to the provisions of the Land Acquisition Act, 1894 (Central Act 1 of 1894), any land or any building not being a dwelling house in the notified fair or festival centre which in the opinion of the Health Officer, is required and is suitable for any purposes connected with the fair or festival, such as the construction of pilgrim-sheds, water-sheds, hospitals, segregation sheds, latrines and the like:

Provided that if the land or building is occupied, notice shall be given in writing to the occupant or be conspicuously affixed on such land or building, not less than twenty-four hours before it is entered upon.

(2) The owner of lessee of such land or building shall be entitled to compensation for any damage or expenses incurred, and to a reasonable rent for the period during which it had been occupied or used for any of the purposes referred to in sub-section (1) Such compensation and rent shall be fixed by the Collector.

(3) The local authority shall, when any such land or building ceases to be occupied or used for any of the purposes aforesaid, cause it to be thoroughly disinfected and cleansed.

94. Control over private sources of water supply.— The Health Officer may, by notice in writing require the owner of, or other person having control over any source of water-supply situated on the fair or festival site, or within such distance therefrom as the Government by general or special order determine, to close or disinfect such source within a specified time if, in the opinion of the Health Officer, it is likely to endanger or cause the spread of disease amongst persons resorting to the festival or fair.

(2) If the owner or person aforesaid fails or neglects to comply with any notice issued under sub-section (1) within the time specified therein, the Health Officer may himself take the necessary action; and the whole of the expenses incurred in doing so or such part thereof as the Health Officer may determine to be reasonable shall be recovered from

such owner or person as if it were a tax due from him to the local authority or any of the local authorities concerned.

⁵¹[CHAPTER XA

Supply of potable water, electricity and other essential services

94A. Power of Government to issue directions.— (1) Notwithstanding anything contained in any provisions of this Act, or in any rules, regulations, notifications, orders or in any decree or judgment of any Court, or in any law for the time being in force, the Government may, in appropriate cases, by order, direct any authorities, local bodies, statutory functionaries, or any other functionaries discharging public functions,—

(a) to grant, supply, provide and ensure supply of potable water, electricity, ⁵²[sanitary convenience] or such other essential services, so declared by the Government under the Goa Essential Services Maintenance Act, 1988 (Act 20 of 1989) or under any other law for the time being in force, to any person, house, structure, hut, factory, area, locality;

(2) Whoever after having convicted of —

- (a) contravening any of the provisions of this Act; or
- (b) contravening any rule or order made under any of the provisions so specified; or
- (c) failing to comply with any direction lawfully given to him, or any requisition lawfully made upon him, under or in pursuance of any of the provision continues to contravene the said provision or the said rule or order or continues to fail to comply with the said direction or requisition, shall be punished for each day after the previous date of conviction during which he continues so to offend, with fine which may extend to ⁵⁹[two hundred rupees].

102. Penalty for preventing entry of local authority or Health Officer.— Every person who prevents the local authority or the Health Officer or any person to whom the local authority or the Health Officer has lawfully delegated his powers of entering on or into any land or building from exercising his lawful power of entering thereon or therein to, shall be punished with simple imprisonment for a term which may extend to one month or with fine which may extend to five hundred rupees, or with both.

CHAPTER XIII

Miscellaneous

103. Appeal against decision of Health Officer.— Any decision of the Health Officer against which an appeal is not otherwise provided for in this Act shall be subject to such appeal as may be prescribed.

104. Method of serving notices.— (1) When any notice is required to be given by this Act or by any rule, bye-laws, regulation or order made under it, such notice shall be given—

- (a) by giving or tendering the notice to such person; or
- (b) if such person is not found, by leaving such notice at his last known place of abode or business or by giving or tendering the same to some adult member or servant of his family; or
- (c) if such person does not reside in the local area and his address elsewhere is known to the local authority, by sending the same to him by post, registered; or
- (d) if none of the means aforesaid be available by affixing the same in some

conspicuous part of such place of abode or business.

(2) When the person is an owner or occupier of any building or land, it shall not be necessary to name the owner or occupier in the notice, and in the case of joint owners and occupiers it shall be sufficient to serve it on, or send it to, one of such owners or occupiers.

105. Cognizance of offences against Act.— No person shall be tried for any offence against the provisions of this Act, or of any rule, or bye-laws made under it, unless complaint is made within three months of the commission of the offence by the Police, or the local authority or the Health Officer, or by a person expressly authorised in this behalf by the local authority, or the Government:

Provided that nothing contained in this section shall affect the provisions of the Code of Criminal Procedure, 1973 (Act 2 of 1974), in regard to the power of certain Magistrates to take cognizance of offences upon information received or upon their own knowledge or suspicion.

106. Power to compound offences.— The local authority or the Health Officer may compound any offence against this Act or the rules or bye-laws made thereunder which may, by rules made by the Government, be declared compoundable.

107. Power to police officers to arrest offenders against Act, etc.— Any police officer who sees a person committing an offence against any of the provisions of this Act or of any rules or bye-laws made thereunder, may arrest such person, if his name and address are unknown to the officer and such person on demand declines to give his name and address or give a name and address which the officer has reason to believe to be false.

108. Powers of public health staff to arrest offenders against Act, etc.— Any member of the public health establishment of a local authority not below the rank of a Health or Sanitary Inspector or Food Inspector who sees a person committing offence against any of the provisions of this Act in the area over which the local authority has jurisdiction, ⁶⁰["shall arrest"] such person if his name and address are unknown to and such person on demand declines to give his name and address or give a name and address which such officer has reason to believe to be false. Any person so arrested shall be handed over to the Officer-in-charge of the nearest police station as expeditiously as possible.

109. Procedure after arrest.— Any person arrested for an offence under this Act shall be informed, as soon as may be of the grounds for such arrest and shall be produced before the nearest Magistrate within a period of twenty-four hours of such arrest excluding the time necessary for the journey from the place of arrest to the Court of the Magistrate and no such person shall be detained in custody beyond the said period without the authority of a Magistrate.

110. Bar of suits and prosecutions in certain cases. — (1) No suit, prosecution or other proceeding shall lie against any local authority or against the Government or any officer or servant of a local authority, or of the Government, or against any person appointed under section 11 of this Act, for any act done or purporting to be done under this Act, without the previous sanction of the Government.

(2) No local authority, officer or servant of any local authority or of the Government and no person appointed under section 11 of this Act, shall be liable in respect of any such act in any civil or criminal proceeding if the act was done in good faith in the course of the execution of duties or the discharge of functions imposed by or under this Act.

⁶¹[**110-A. Bar on suits and prosecutions.**— No court shall entertain any suit, application prosecution or other proceedings in respect of any order, decision, direction or notice issued by any authority under this Act and no such order, decision, direction or notice issued shall be called in question otherwise than by preferring an appeal as provided under this Act.”]

111. Punishment for malicious abuse of powers.— Any local authority or any officer or servant of a local authority or of the Government, or any person appointed under section 11 of this Act, who maliciously abuses any powers conferred on him by or under this Act shall be punished with ⁶²[fine which may extend to one thousand rupees]

Explanation:— No prosecution shall be instituted under this section without the previous sanction of the Government.

112. Delegation of powers by Government.— The Government may, by notification and subject to any restrictions, limitations and conditions specified therein, authorise any person to exercise any one or more of the powers vested in them by this Act and may in like manner withdraw such authority:

Provided that nothing contained in this section shall apply to any power of the Government to make rules under this Act.

113. Act override other enactments.— If any provision relating to public health contained in any other enactment in force in this Union territory is repugnant to any provision contained in this Act, the provision of this Act shall prevail and the provision contained in such other Act shall to the extent of the repugnancy, be void.
