name called drawing water from any source for generation of hydropower;

- (h) “water” means natural resource flowing in any river, stream, tributary, canal, nallah or any other natural course of water or stipulated upon the surface of any land like, pond, lagoon, swamp or spring;
- (i) “water cess” means the rate levied or charged for water drawn for generation of hydropower and fixed under this Act; and
- (j) “water source” means a river and its tributaries, stream, nallah, canal, spring, pond, lake, water course or any other source from which water is drawn to generate hydropower.

## CHAPTER-II

### USAGE OF WATER BY INSTALLATION OF HYDROPOWER GENERATING UNIT

**3. Installation of scheme for usage of water.**—(1) No user shall draw water from any source for hydropower generation except in accordance with this Act.

(2) No user shall install a scheme requiring usage of water (non-consumptive use) of any water source for generating hydropower except without being registered by the Commission in accordance with the provisions of this Chapter.

**4. Submission of sanctioned scheme for usage of water by the user.**—Any user intending to install a scheme requiring usage of water (non-consumptive use) for the purpose of generation of hydropower shall submit detailed project report of the scheme, duly sanctioned by the Director of Energy or Central Electricity Authority or any other authority as the case may be accompanied with application fee for registration under the Act in the manner as may be prescribed.

**5. Acceptance of application.**—After receipt of the application from a user, the Commission shall consider the acceptance of the application under this Act.

**6. Information to the user.**—After the application is accepted by the Commission under section 5, the Commission shall register the scheme and inform the user to,-

- (a) execute an agreement in such a form and manner with the Commission as may be prescribed; and
- (b) pay water cess as fixed under Chapter-IV of this Act.

**7. Registration for usage of water.**—No person shall install a scheme, requiring usage of water or in any other way use the water, unless he is authorised to do so by a registration certificate, issued under section 8.

**8. Grant of registration certificate.**—An user intending to use water (non consumptive use) for generation of hydropower shall be issued a registration certificate after the execution of an agreement between the user and the Commission under this Act.

**9. Registered user not to do certain things.**—No registered user shall without prior approval of the Commission,-

- (a) undertake any transaction to acquire by purchase or takeover or otherwise, the utility of any other user; or
- (b) merge his utility with the utility of any other user; or
- (c) at any time assign his registration or transfer his utility or any part thereof by sale, lease, exchange or otherwise.

**10. Duties, obligations and responsibilities of the registered user.**—

(1) The registered user shall be liable to pay water cess for the water drawn for hydropower generation as per the provisions of this Act.

(2) Where any user has constructed a hydropower scheme, for the purpose of generation of hydropower, prior to the commencement of this Act, such user shall, within a period of one month from the date of commencement of this Act, apply for registration and the Commission shall pass an order to register the user within a period of one month from the date of receipt of application in accordance with the provisions of this Act.

(3) If the user as mentioned in sub-section (2) fails to apply for registration within time stipulated therein, the Commission shall forthwith impose water cess without registration on the basis of data of water usage provided by the Directorate of Energy, Himachal Pradesh from the date of commencement of this Act alongwith suitable penalty which may extend to rupees ten lakh and in case of prolonged default with additional fine which may extend to rupees five thousand for every day.

(4) Every registered user shall be under an obligation to ensure the safety of the life and property of inhabitants of the area by the operation of the scheme.

(5) Every registered user shall be bound to allow the Commission or any other officer authorised by the Commission to have an access at any time to the scheme for their satisfaction with regard to compliance of the provisions of this Act.

**11. Control and safety provisions.**—The Commission may, by notice in writing given to the user require him to cause periodic inspection carried out by an expert, to the satisfaction of the Commission and in accordance with the procedure and at such intervals, as the Commission may specify, for the scheme.

### CHAPTER-III

#### ASSESSMENT OF WATER DRAWN BY USER

**12. Assessment of water drawn by user.**—(1) The Commission shall install or cause to be installed flow measuring device as per the specifications approved by the Commission within the premises of scheme or at such other place where the Commission deems fit for measuring the water drawn for hydropower generation or may adopt any indirect method for assessment of water drawn by the user.

(2) The expenditure incurred on such installation shall be payable by the user.

**13. Damaging the flow measuring device or any fitting.**—No person shall wilfully damage or cause to be damaged, any water measuring device or any of the fittings of the device. The user shall be responsible to replace the damaged device forthwith at his own cost failing which penalty of rupees fifty thousand shall be imposed on such user.
